Concurrent with the adoption of this regulation, the Director of the Rhode Island Department of Health is also proposing to amend *Rules and Regulations Pertaining to the Fee Structure for Licensing, Laboratory and Administrative Services Provided by the Department of Health* [*R23-1-17-Fee*] to add fees associated with the licensing of adult supportive care homes.

Notice is hereby given in accordance with the provisions of Chapter 42-35 of the Rhode Island General Laws, as amended, that the Director will hold a public hearing on the above mentioned matter, in the **AUDITORIUM** of the Rhode Island Department of Health (on the lower level of the Cannon Building), Three Capitol Hill, Providence, Rhode Island on **THURSDAY, 24 MARCH 2016 AT 1:00 P.M.** at which time and place all persons interested therein will be heard. In the development of the rules and regulations, consideration was given to the following: (1) alternative approaches; (2) overlap or duplication with other statutory and regulatory provisions and (3) financial impact on small business. No alternative approach, duplication, or overlap was identified based upon available information.

For the sake of accuracy, it is requested that statements to be made relative to any aspect of the regulations, including alternative approaches or overlap, be submitted in writing at the time of the hearing or in electronic format prior to the hearing date to: Andrew Powers, Chief Health Program Evaluator, Center for Health Facilities Regulation; by calling 401-222-2566 or e-mail to Andrew.Powers@health.ri.gov.

INTRODUCTION

These amendments to the *Rules and Regulations Pertaining to the Fee Structure for Licensing, Laboratory and Administrative Services Provided by the Department of Health* [*R23-1-17-Fee*] are promulgated pursuant to the general authority set forth in RIGL §23-1-3(b), §23-1-17 and §23-1-54, and the authority to establish the specific licensing, laboratory or administrative fee contained in the individual statute(s) cited in these Regulations. These amendments ~~consolidate two separate rulemaking actions pertaining to these Regulations which adjust the academic faculty license fee for consistency with the physician license fee, add fees associated with the licensing of applied behavior analysts, and eliminate licensing fees associated with repealed regulations~~ add fees associated with the licensing of adult supportive care homes.

Pursuant to the provisions of RIGL §42-35-3(a)(3) and §42-35.1-4, the following were given consideration in arriving at these Regulations:

(1) Alternative approaches to the regulations;

(2) Duplication or overlap with other state regulations; and

(3) Significant economic impact on small business.

Based on the available information, no known overlap, duplication or alternative approach was identified.

Upon promulgation of these amendments, these amended regulations shall supersede all previous *Rules and Regulations Pertaining to the Fee Structure for Licensing, Laboratory and Administrative Services Provided by the Department of Health*, promulgated by the Rhode Island Department of Health and filed with the Secretary of State.
