# Records Retention Schedule LG5

## Public School Records

This Records Retention Schedule has been developed by the Rhode Island Local Government Records Program of the State Archives in an effort to assist government officials in the proper management of public records.

The schedule consists of 136 separate sets of records, or series, recognized as those records created or maintained by municipal public schools/school districts. Included in each entry are a record series number, series title and description, and a retention period. For example,

<u>Record Series #</u>	<u>Record Series Title &amp; Description</u>	<u>Retention Period</u>
<b>LG5.1.31</b>	<b>Student Rosters</b> Lists of student names by homeroom, program or special service. May include teacher name and total students.	<b>Retain until of no further administrative value.</b>

The retention periods set forth in this document are minimum periods and are the result of analysis on the part of the State Archives concerning the legal, fiscal, administrative, and historical value of the records. Because many retention periods are based on state and federal statute and regulation, updates to this schedule may be issued to incorporate any changes.

Proper procedures for the destruction of public records must be adhered to. Records that are eligible for destruction can only be legally destroyed with an approved "Certificate of Records Destruction" (§38-1-10, §38-3-6 (j), and §42-8.1-10). A Certification of Records Destruction form and instructions are included with this schedule. State Archives staff members are always available to answer questions you might have regarding any records issues.

**Local government officials should also consult with the municipal solicitor to determine if any records eligible for destruction may be involved in current, pending or anticipated litigation, any government investigation or regulatory proceeding, or request under the Access to Public Records Act (RIGL §38-2).**

**CERTIFICATION OF RECORDS DESTRUCTION**

1. Department			
2. Division		3. Date	
In accordance with the Authority granted by Title 38 of the Rhode Island General Laws these records have met the legal retention requirements and are eligible for destruction.			
4. Record Series Number (from schedule)	5. Record Series Title	6. Dates to/from	7. Volume
8. I certify that I have reviewed the above listed records and authorize their destruction.			
Dept. Head or Records Custodian _____ State Archivist _____ & Public Records Administrator _____			

Signed and executed Certificate is a permanent record. (§42-8.1-10)

## Certification of Records Destruction

Instructions for completing the form. Numbers below correspond with blocks on the Certification of Records Destruction form, a copy of which is provided on the previous page. The form may be reproduced.

1. Department - means any state or local government entity. Include the name of your city or town.
2. Division - means any sub-unit of any department.
3. Date - the date your department prepared the form.
4. Record Series Number - enter the exact series number. Each series listed on retention schedules has a unique identifying number. Series numbers are preceded by the letters LG on municipal schedules and on General Schedules by the letters GS.
5. Record Series Title - enter the exact record series title, as listed on the retention schedule. Each series title should correspond to the one cited in the schedule. If your department uses different titles than those found in the schedules, you may want to add the local title in square brackets [ ] under each entry on the form.  
**Note:** Using the precise record series number and title will expedite the approval process.
6. Dates to/from - enter the earliest and latest dates covered by the records proposed for destruction. In most cases just the year will suffice.  
**Note:** For purposes of calculating retention, do not count the year in which the records were created. If the retention period of a particular series is qualified by wording such as "audit plus one year" or "three years after expiration," the date of the completed audit or the year of expiration needs to be also noted.
7. Volume - enter the volume of records to be destroyed. Volume is most easily measured by the number of inches or linear feet of records, although cubic foot measurements give a more accurate figure. A table of volumes and a cubic foot equivalency formula are provided below.
8. Department Head or Records Custodian - signature of the local official authorized to request records destruction.

Send the completed form to the Rhode Island State Archives. The Certificate will be reviewed, countersigned by the State Archivist/Public Records Administrator, and then returned. Upon receipt the records may legally be destroyed. The signed and executed Certification of Records Destruction must be retained as a permanent record under RIGL §42-8.1-10.

### Table of Volumes

standard records storage box (15" x 12" x 10")	1.2 cubic foot
