PUBLIC NOTICE

Proposed Repeal of the RI Stormwater Design and Installation Standards Manual (1993)

The Coastal Resources Management Council, in accordance with and pursuant to the RI Administrative Procedures Act (R.I.G.L. § 42-35-3) and the Rules and Regulations of the Coastal Resources Management, gave notice signed and dated December 23, 2014 to repeal the anachronistic 1993 RI Stormwater Manual. The 1993 manual has been superseded by the 2010 revision to the RI Stormwater Design and Installation Standards Manual, which is referenced in Section 300.6 of the Coastal Resources Management Program.

The CRMC does not plan to hold a public hearing in this matter. Further information may be obtained by contacting the Coastal Resources Management Council offices at 783-3370.

Signed this 23rd day of December, 2014.
