

Rule No. 2

To attain certified status, all new appointees to the local sealer of weights and measures position are required to participate in a Technical Course in the field of weights and measures. When there are more than seven (7) new appointees, a 3-day training course will be conducted at the Department of Labor, by a professional agency. Application cost shall be born by the municipalities/participants of the 3-day training. The course agenda will be as follows:

- A. One half day - Fundamental Considerations, General Code of Handbook 44
- B. One half day - Rhode Island General Laws pertaining to the municipal sealer of weights and measures.
- C. One full day "General Application of the Scale Code"
- D. One full day "General Application of the Gasoline Measuring Device Code"

Rule No. 3

Where there is a new appointee ~~are less than seven (7) new appointees~~, or when a Sealer is not available to participate in the 3-day Technical Course in Rule No. 2, the alternate course outlined below must be completed to fulfill the certificate requirements.

A. ~~Enroll in the STR (Stabler Training Resources)~~ Engage in a program of self-study of NIST Handbook 44 Courses for the, Section 2.20, Scale Code and Section 3, 3.30, Liquid Measure Devices (hereafter "NIST Handbook 44 section content areas") Gasoline Pump Code. These courses are offered in a correspondence format.

1. ~~Participants must complete both courses~~ study the NIST Handbook 44 section content areas as referenced herein.

2. The cost, if any, for participation in both NIST Handbook 44 section content areas courses shall be borne by the municipality/participants.

B. ~~Upon receipt of a diploma from the Stabler Training Resources,~~ The Department of Labor and Training shall issue a certificate of completion to participants upon completion of the NIST Handbook 44 content areas and the following shall apply:

1. ~~The sealer shall be required to demonstrate Satisfactory demonstration of his/her field abilities to the certified metrologist or to an authorized sealer agent of the Department of Labor and Training in the NIST Handbook 44 course content areas specified herein completed over a ninety (90) day period which shall include:~~

i. ~~Increasing and decreasing load test on a 30 pound capacity scale, and Ten (10) hours of on-the-job training in Scale Code inspection under the direct supervision of a Department of Labor and Training authorized and appointed sealer. The Department of Labor and Training authorized and appointed sealer shall keep a log book of the participant's on-the job training, and~~

ii. ~~A five gallon volumetric test of a gasoline measuring device. Thirty (30) hours of on-the-job training in liquid measure device inspection under the direct supervision of a Department of Labor and Training authorized and appointed sealer. The Department of Labor and Training authorized and appointed sealer shall keep a log book of the participant's on-the-job training.~~

2. ~~Successful completion of the STR Courses and the hands-on field tests shall qualify a sealer for certification~~

~~from the Director of Labor for the duration of the current year certificate period.~~ Successful completion, with at least a score of 70%, on a written examination covering the NIST Handbook 44 section content areas and administered by the Department of Labor and Training. Participants must make request, in writing, to the Department of Labor and Training to test within thirty (30) days of completing their on-the-job training requirements.

Participants who do not receive a passing score on the written examination may retest after thirty (30) days of receiving notice of unsuccessful completion of the written examination by making request, in writing, to the Department of Labor and Training to retest.

Rule No. 4

Sealers having completed the course criteria of either Rule No. 2 or Rule No. 3, thereby rendering them "Certified", shall participate in technical courses relating to weights and measures, which may be offered annually by the department of Labor. Course criteria shall be based on changes to the Handbooks adopted by this state and/or by changes made to the Rhode Island General Laws. At no time shall these courses require more than 35 hours of annual training. Certificates will be automatically renewed on June 30 of each year unless an annual training is scheduled. If an annual training is scheduled, certificate renewal will be based upon successful completion of the course.

Rule No. 5

Any person who has been appointed by a municipality to the sealer position, and has met the mandated requirements for certification shall be able to continue such certification status (RIGL 47-1-1.1), if he or she continues to participate in the annual training as covered by Rule No. 4, and shall be considered for assignments in other municipalities where said municipalities are without an active certified sealer. Sealers so assigned shall be responsible for all costs incurred while performing these sealer duties, and shall be subject to Rule No. 7.

Assigned sealers shall submit to the Director of Labor or his/her authorized agent, a quarterly report for all testing performed during said quarter with the first report due on April 1, 1996 and the ensuing quarterly reports to be submitted on July 1, October 1, January 1 of each calendar year. Reports shall include the following:

1. number of tests performed, during the reporting quarter, in each sealer responsible area as mandated in 47-2, 47-6, and 47-8 of the General Law:
2. the test numbers reported in no.1 shall include the name and address of the company owning the devices tested and the date of said testing and sealing.
3. submission of actual copies of the test reports used when performing sealer duties shall be provided when requested by the Director or his/her authorized agent;
4. the Director or his/her authorized agent shall have the authority to request for review the sealer receipt books to verify the fees charged for duties performed while under assignment by the Director of Labor.

Rule No. 6

Local Sealers of Weights and Measures not in compliance with 47-1-1.1 of the General Laws shall be in direct violation of the mandate. Sealers, without having attained certified status, shall not be permitted to perform the duties of a sealer of weights and measures as described in 47-2, 47-6, 47-8, 47-12, of the General Laws. Notification of same shall be forwarded to the appointing authority in the town or city which the sealer represents by the certified metrologist, the Director of Labor or his/her authorized agent.

Rule No. 7

Upon recommendation from the certified metrologist or the Director's authorized agent, the Director of Labor shall have the authority, after notice and hearing, to revoke the certificate of a sealer of weights and measures for cause as indicated herewith:

Revocation for Cause:

- A. Failure to participate in the technical training as outlined in Rule No. 4.
- B. Failure to inspect the weights and measures apparatus in a timely fashion, as required by General Law. Sealers are responsible to perform all duties regarding inspections with limits being set only by the testing equipment available to him/her.
- C. Sealing of weights and measures apparatus without first performing the required test procedures.
- D. Failure to comply with the rate/revenue schedule for testing and sealing as mandated in 47-1-5.1, 47-2-7, 47-2-9, and 47-8-1 of Rhode Island General Law.
- E. Conviction of a felony.

The Director of Labor is mandated by Section 1-2 of Chapter 47-1 of the General Laws of Rhode Island as amended by Public Laws of 1988, to promulgate rules and regulations, not inconsistent with law to carry into effect the enforcement and administration of the provisions of this Chapter.

Pursuant to Section 1-2 of Chapter 47-1 of the General Laws of Rhode Island, the following fee schedule for services rendered is hereby issued for the enforcement and administration of Title 47-1-2 titled Custody and maintenance of state standards -- Testing of standards.

Category I Rhode Island Certified Sealers

	Weights:	
	Less than 3 kg	
I	Class F Tolerance	no fee
II	Class F Tolerance	\$10.00 ea
	Over 3 kg	
I	Class F Tolerance	no fee
II	Class F Tolerance	\$20.00 ea

Copies of the aforementioned proposed amendments to the Rules are available for public inspection at the Rhode Island Department of Labor & Training, Division of Occupational Safety, 70-2, 1511 Pontiac Avenue, Cranston, RI 02920 between the hours of 9:00 a.m. and 3:00 p.m.

In the development of the proposed amendments consideration was given to:(1) alternative approaches; (2) overlap or duplication with other statutory regulatory provisions; and (3) significant economic impact on small businesses as defined in Chapter 35 of Title 42 of the General Laws, which may result from the proposed amendments. Based on available information, no significant economic impact was identified nor are there any alternative approaches, duplications or overlaps with other state regulations.

Written comments regarding the proposed amendments are welcomed and will be accepted within twenty (30) days of the date of publication of this notice. Please address all comments or inquiries to Joseph Degnan, Assistant Director, Department of Labor and Training, 1511 Pontiac Avenue, Cranston, RI 02920.

In accordance with Rhode Island General Law, Section 42-35-3, an oral hearing on these proposed amendments will be granted if requested by twenty-five (25) persons or a governmental subdivision or agency, or by an association having not less than twenty-five (25) members. A request for an oral hearing must be made within thirty (30) days of the date of this publication of notice. If a hearing is properly requested, it shall be held on December 11, 2012 at 1:30 pm., in Bldg. 73-1, 1511 Pontiac Avenue, Cranston, RI 02920.

to**

RULES AND REGULATIONS RELATING TO WEIGHTS AND MEASURES

In accordance with the Administrative Procedures Act, Section 42-35-3(a)(1) of the General Laws of Rhode Island, following is a concise summary of proposed non-technical amendments:

Rule 3:

Describes the training needed for a new appointee to the local sealer of weights and measures position.

1. Section A describes the program of self-study the applicant must follow.
2. Section B describes the conditions under which the Department of Labor and Training will issue a certificate of completion to the participants. It also lists the number of hours of on-the-job training involved and the score needed to pass the written exam.
