INTRODUCTION

These amendments to the *Rules and Regulations Pertaining to the Fee Structure for Licensing, Laboratory and Administrative Services Provided by the Department of Health [R23-1-17-Fee]* are promulgated pursuant to the general authority set forth in RIGL §23-1-3(b), §23-1-17 and §23-1-54, and the authority to establish the specific licensing, laboratory or administrative fee contained in the individual statute(s) cited in these Regulations. These amendments ~~consolidate two separate rulemaking actions pertaining to these Regulations which adjust the academic faculty license fee for consistency with the physician license fee, add fees associated with the licensing of applied behavior analysts, and eliminate licensing fees associated with repealed regulations~~ Public Health Dental Hygienists and DAANCE-Certified Maxillofacial Surgery Assistants.

Pursuant to the provisions of RIGL §42-35-3(a)(3) and §42-35.1-4, the following were given consideration in arriving at these Regulations:

- (1) Alternative approaches to the regulations;
- (2) Duplication or overlap with other state regulations; and
- (3) Significant economic impact on small business.

Based on the available information, no known overlap, duplication or alternative approach was identified.

Upon promulgation of these amendments, these amended regulations shall supersede all previous *Rules and Regulations Pertaining to the Fee Structure for Licensing, Laboratory and Administrative Services Provided by the Department of Health*, promulgated by the Rhode Island Department of Health and filed with the Secretary of State.
