STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS
DEPARTMENT OF ENVIRONMENTAL MANAGEMENT
FISH AND WILDLIFE

R.I. Hunting Regulations for the 2012-2013 Season

RULE 1 PURPOSE

The purpose of these Rules and Regulations is to establish hunting season; to set the possession and bag limits; and to regulate the manner of hunting in order to efficiently manage the wildlife resources of Rhode Island.

RULE 2 AUTHORITY

These Rules and Regulations are promulgated pursuant to RIGL Chapters 42-17.1; 20-15 and 20-18, and Sections 20-1-2; 20-1-4; 20-1-8; 20-1-12; and 20-1-13 and in accordance with Chapter 42-35, Administrative Procedures Act of the Rhode Island General Laws of 1956, as amended.

RULE 3 APPLICATION

The terms and provisions of these Rules and Regulations shall be liberally constructed to permit the Department to effectuate the purposes of state law, goals, and policies.

RULE 4 SEVERABILITY

If any provision of these Rules and Regulations, or application thereof to any person or circumstances, is held invalid by a court of competent jurisdiction, the validity of the remainder of the Rules and Regulations shall not be affected thereby.

RULE 5 SUPERSEDED RULES AND REGULATIONS

On the effective date of these Rules and Regulations, all previous Rules and Regulations, and any policies regarding the administration and enforcement of Hunting Regulations shall be superseded. However, any enforcement action taken by, or application submitted to, the Department prior to the effective date of these Rules and Regulations shall be governed by the Rules and Regulations in effect at the time the enforcement action was taken, or application filed.

RULE 6 DEFINITIONS

For the purposes of these regulations, the following terms shall have the following meanings:

Antlerless deer – deer having no antlers or antlers less than three (3) inches in length.

Bearded turkey – a turkey that carries a visible beard, i.e., a tuft of stiff filament-like feathers projecting outward and downward from the center of the chest.

Box trap – any trigger operated device intended to restrain an animal by confinement in box or cage.

Conibear-type trap – “conibear” model traps and similar body-gripping traps and devices, whether or not enclosed in or comprising part of a box, tube or other enclosing device.

Crossbow – a bow and string that launches an arrow, mounted upon a stock, with a trigger unit that holds the string and limbs under tension until released. The trigger unit must have a working safety. The minimum crossbow, arrow, and blade restrictions are further described in Part [4 1](#) of these regulations.

Daylight fluorescent orange – the color orange having a dominant wave length between 595 and 606 nanometers, an excitation purity not less than 85 percent, and a lamination factor not less than 40 percent.

Deer – Virginia white-tailed deer (*Odocoileus virginianus*) and any other free ranging deer encountered in the natural environment.

Deer decoy – Device that replicates the body and form of a deer and may be used for the purpose of attracting deer during hunting.

Driving deer/cooperative drive – to pursue, drive, chase, or otherwise frighten or cause a deer to move in a direction toward a person or persons known to be waiting for deer.

Earn-A-Buck Provision – Requires harvest of one antlerless deer **prior to** the harvest of a buck in a permitted management zone or hunting method.

Feeding/baiting – the act of using, placing, giving, exposing, depositing, distributing, or scattering any material, or any act to maintain the availability of such material, that attracts wildlife to feed on such material.

Foothold – the nomenclature for a foothold trap is equivalent to that of leg-hold trap, as described in RIGL 20-16-8, including those foothold traps with padded jaws.

Jack-lighting – the use (by an individual or in conjunction with others) of an artificial light at any time to illuminate, jack light, locate, attempt to locate, or show up wild birds or mammals or any other vertebrates when that person or persons have in their actual possession, in the passenger compartment of their vehicle, or in the storage area of a trunk or van, unless locked in a case, a crossbow, long bow (straight limb, reflex, re-curve, or compound bow) rifle, gun, or pistol, except in accordance with these rules and regulations.

Jamestown (Conanicut Island)/Aquidneck Island – all of Aquidneck Island with the exception of the city of Newport.

Junior Hunter – a person 12-14 years of age who has completed a basic hunter safety course shall hunt only in the immediate company of a qualified licensed adult, 21 years of age or older.

Paraplegic – an individual afflicted with paralysis of the lower half of the body with involvement of both legs.

Replacement tags – free replacement tags for deer are issued only by DEM's Division of Licensing after a hunter harvesting required antlerless deer as specified by zone management harvest regulations and upon the hunter providing evidence (checked field tags) of having checked the required antlerless deer.

Small game season – that period of time beginning the third Saturday in October and ending the last day in February annually (not withstanding the regulated shotgun season for deer).

Species specific traps – characterized by all of the following: triggering and restraining mechanisms are enclosed within housing; triggering and restraining mechanisms are only accessible through a single opening when set; the access opening does not exceed 2 inches in diameter; the triggering mechanism can only be activated by a pulling force; has a swivel mounted anchoring system.

Translocation – means the transport and release of live wild animals from one location to another.

Written permission – means annual written permission of the owner of the land for any current deer season.

RULE 7 – REGULATIONS
PART I
DEER HUNTING

- 1.1 A deer permit must be obtained prior to hunting for each individual deer taken in accordance with the bag limits for each season type, statewide.
- 1.2 **Open Season** (all dates inclusive)
- 1.2.1 **Archery**: September 15 to January 31
- 1.2.2 **Muzzleloader**: November 3 to November 25
- 1.2.1.1 September 29 to October 4, Zone 1, Private Property, Antlerless Deer only.
- 1.2.3 **Shotgun**: December 1 to December 16 and December 26 to January 2
- 1.2.3.2 December 26 to January 2, Statewide-Private Property, Antlerless Deer only
- 1.2.4 **Prudence Island**: October 20 to January 31
- 1.2.4.1 Paraplegic hunter season October 9 - 12
- 1.2.5 **Block Island**:
- 1.2.5.1 Archery: **October** 9, 10, 11, 12, 15, 16, 17, 18, 19, 22, 23, 24, 25, 26, 29, 30, 31; **November** 1, 2
- 1.2.5.2 Archery and Muzzleloader: **November** 5, 7, 8, 9, 12, 13, 14, 15, 16, 19, 20
- 1.2.5.3 Shotgun: **November** 26, 27, 29, 30;
December 3, 4, 6, 7, 10, 11, 13, 14, 17, 18, 20, 21;
January 3, 4, 7, 8, 9, 10, 11, 14, 15, 17, 18, 22, 23, 24, 25, 28, 29, 30, 31;
February 1, 4, 5, 6, 7, 8, 11, 12, 13, 14, 15, 18, 19, 20, 21, 22, 25, 26, 27, 28

1.3 **Season Limit:**

1.3.1 Three (3) antlered deer (buck) statewide, except Zone 3 (see 1.3.2.3.1)

1.3.2 Antlerless deer bag limit is by Deer Management Zone

1.3.2.1 **Zone 1** (Mainland Private and State Land): Four (4) Antlerless Deer

1.3.2.1.1 Hunters are eligible for one (1) free Replacement Tag for an additional Antlerless deer upon presenting to DEM proof of harvesting two antlerless deer in Zone 1.

1.3.2.2 **Zone 2** (Mainland Private and State Land): Three (3) Antlerless Deer

1.3.2.3 **Zone 3** (Prudence – Patience Islands Private and State Land): Two (2) Antlerless Deer

1.3.2.3.1 The bag limit of antlered deer (buck) in Zone 3 is one (1) per season, included in the statewide season limit of three (3) buck statewide.

1.3.2.4 **Zone 4** (Block Island Private Land Only): Five (5) Antlerless deer, except as provided in 1.17.2.

1.4 Legal hours for hunting deer are one half hour before sunrise to one half hour after sunset. All deer must be tagged in a conspicuous manner by the hunter killing same, immediately after taking, with the tag portion of the deer permit for the specific season (archery, muzzleloader, shotgun and/or paraplegic/double amputee hunter). This tag must be separated from the permit with the appropriate month, day, or other information completed as required, and signed by the hunter. The tag must remain attached to the deer until the animal is processed for consumption or prepared for taxidermy. It will be considered prima-facie evidence of hunting without a valid deer permit if any portion of the deer permit/tag is altered in any manner.

1.5 **Prohibited Activities:**

1.5.1 Hunting, pursuing, or molesting deer below mean high tidal water, or while deer are swimming in any waters of the state is prohibited.

1.5.2 The construction and/or use of permanent tree stands, or the use of nails, spikes, bolts, or climbing devices which may damage trees, is prohibited on state property or on private property without the permission of the

landowner. All portable tree stands must be removed on state lands by the end of deer season.

- 1.5.3 The use of electronic deer calls is prohibited at all times.
- 1.5.4 The use of decoys to attract deer is prohibited with the exception that such devices are permitted on Private lands and only during the early archery season (September 15 until September 30). On private land in towns where hunting with a firearm is prohibited but use of archery equipment is allowed deer decoys maybe used September 15 – January 31. When transporting deer decoys for the purpose of hunting, persons must wear 500 square inches of fluorescent orange visible from all sides as is currently required for shotgun deer hunting.
- 1.5.5 Driving deer by parties of over five (5) people is prohibited.
- 1.5.6 Only one firearm or bow may be possessed in the field per individual hunter, while hunting deer.
- 1.5.7 During the period September 15 through the last day of February (statewide and islands), casting of rays of artificial lights, including spotlights, headlights, or other artificial light, at any time, on any highway or roadway, whether public or private or on any field, woodland, residential property or forest, on any building or farm animal, for the purpose of spotting, locating or attempting to spot or locate any wild animal or wild bird is prohibited.
 - 1.5.7.1 The use or possession of laser sights that project a beam or night – vision equipment while hunting is prohibited.
- 1.6 Annual written permission is required to hunt deer on privately owned land (RIGL 20-15-1 [4]. Such written permission must be carried at all times while deer hunting and failure to have such written permission is prima-facie evidence of not having written permission to hunt such land. Written permission must be shown to any authorized person upon demand, and must be presented when checking the deer.
- 1.7 The use of natural or artificial scents, mouth or hand powered deer calls to attract deer, is permitted.
- 1.8 The Division retains the right to sample any and all tissues for population and disease management.

- 1.9 **Resident All Outdoors Package Permit:** Deer hunters may purchase one (1) resident All Outdoors Package Permit for the mainland deer seasons to take up to 8 deer during the established seasons. This package permit will only be available at DEM, RI Division of Licensing, 235 Promenade Street, Providence, RI 02908. This may be purchased by mail with a SASE or in person.
- 1.9.1 A limit of 300 permit packages will be sold on a first come first serve basis. Permits may be purchased in person or through the mail. Due to high volume, permits sold over the counter may be returned by mail.
- 1.9.2 The All Outdoor Hunting Package consists of three (3) Antlered deer (buck) permits and five (5) Antlerless deer permits that may be used in any combination statewide during the Open Season.
- 1.10 Deer Management Zones are defined to recognize and achieve harvest and management strategies for deer in Rhode Island as follows (Figure 1):

RI Deer Management Units

1.11 **Checking and Tagging:** All deer harvested must be conspicuously tagged by the hunter immediately after killing or taking as provided, and reported to DEM within 24 hours by mailing a Pre-Paid Deer Season Kill Report Card. Except that, during the first four (4) days of the Muzzleloader deer season, November 3 thru 6, 2012, all deer harvested statewide must be brought to a State Operated Checking Station to be physically weighed, measured and inspected with the exception of Block Island. During the remainder of the season, deer must be checked by mailing within 24 hours the Deer Season Kill Report Card or by an Environmental Police Officer (EPO).

1.12 **Archery Season:**

1.12.1 Archers may use a long bow, re-curve bow, compound bow or crossbow for hunting deer.

1.12.1.1 Long bow, re-curve bow and compound bow must meet be capable of not less than forty (40) pounds at peak draw weight for archers using fixed blade broadheads, and a minimum of fifty (50) pounds for archers using a mechanical broadhead. Only broadhead tipped arrows with at least two (2) metal cutting edges are allowed. All broadheads must be 7/8 of an inch or greater at the widest point. Mechanical heads are measured in the “open” position and must be a minimum of 7/8 of an inch.

1.12.1.2 Crossbows meeting the following minimum criteria are permitted for hunting deer: minimum draw of 150 pounds. Expandable broadheads are permitted. However, as some crossbow manufacturers specifically recommend against mechanical broadheads, nothing in this section should be construed as permitting such use. One (1) field point arrow may be carried in the quiver for the safe discharge of the crossbow; the field point arrow must be made distinguishable from the crossbow arrow by a color difference. All hunters must have taken and successfully completed bow hunter education classes to hunt with a crossbow.

1.12.1.3 Hunters during the archery season may hunt deer with adaptive aids only with a special permit. Special archery adaptive aid permits may only be obtained through DEM-Division of Licensing, 235 Promenade Street, Providence, RI 02908 (401) 222-3576. An official application for permit issuance signed by a physician for first time applicants is required, accompanied by an official document on the physician's printed letterhead, stating

the certification of disability in accordance with RIGL 20-15-4. A copy of the permit will be sufficient in subsequent years for reapplication.

1.12.1.4 Hunters age 65 or older are permitted to use adaptive aids without a special permit. (This is Existing Section 1.13.1.2) would remain in effect since “adaptive aids” still require a special permit (except for over 65 years).

1.13 **Muzzleloader Season:**

1.13.1 Firearms for muzzleloader deer season are limited to .45 caliber or larger using percussion caplock, flintlock, and in-line ignition systems using percussion caps, rifle, or shotgun primers. Only single barrel or double barrel firearms that must be loaded from the muzzle are allowed.

1.13.2 Ammunition for muzzleloader deer season is limited to a single projectile, including round ball, or maxi ball type projectiles. Sabot rounds for muzzleloader firearms are permitted using lead, jacketed or solid copper bullets according to manufacturer’s specifications. Powder is limited to manufacturers’ specifications. Telescopic sights are permitted. Possession of modern shotgun shotshells while hunting is prohibited. A muzzleloader is considered unloaded when the percussion cap, primer or pan powder is removed.

1.13.3 Archery equipment is permitted during the muzzleloader season provided hunters possess a current archery or muzzleloader permit to take deer. All muzzleloader deer season fluorescent orange requirements will be enforced. All hunters must have taken and successfully completed bow hunter education classes to hunt with a crossbow.

1.14 **Shotgun Season:**

1.14.1 No person shall take deer with a shotgun capable of holding more than five shells, unless it is plugged with one-piece filler, which is incapable of removal without disassembling the gun.

1.14.2 Ammunition permitted for shotgun deer season is limited to a single lead or alloy projectile, including rifled slugs or sabot round. Buckshot is prohibited at all times.

1.14.3 Shotguns of 10, 12, 16, or 20-gauge are allowed.

- 1.14.4 All other hunting, except otherwise provided, is prohibited during the periods of December 1-16. State lands are closed to shotgun deer hunting during the period December 26 to January 2.
- 1.14.5 Muzzleloader firearms and Crossbows will be permitted during the shotgun season provided hunters possess a current shotgun deer permit and comply with muzzleloader restrictions and/or crossbow equipment restrictions. Hunters taking a deer must tag the deer with the shotgun deer tag immediately after taking. All shotgun deer season fluorescent orange requirements will be enforced. All hunters must have taken and successfully completed a bow hunter education classes to hunt with a crossbow.
- 1.15 **Prudence – Patience Island (Zone 3):**
- 1.15.1 The only legal method of deer hunting on Prudence and Patience Islands is by archery, including crossbows. All other archery regulations apply. Exemption: hunters complying with section for paraplegic and double amputees may use shotguns.
- 1.15.2 While archery deer hunting, no possession of firearms is permitted, except for those licensed to participate during the special paraplegic hunter deer season.
- 1.15.3 Archery deer hunting will be permitted on the Heritage Property, December 1-15.
- 1.15.4 Proficiency testing is required of all archery hunters hunting deer on Patience and Prudence Islands, either private or state-owned lands. The proficiency card is valid for two years from the date of issue and must be carried while hunting.
- 1.15.5 Written permission of the private landowner is required and must be countersigned by the Chief of Police or his/her representative on Prudence Island.
- 1.15.6 On Patience Island, there shall be no hunting of any species of wildlife, except archery hunting for deer, as provided. The possession of any firearm at any time on Patience Island, except for archery equipment as prescribed during the established archery season for deer, is prima-facie evidence of illegal hunting.

1.16 **Block Island (Zone 4)**

- 1.16.1 State Land (Black Rock / Rodman Hollow) Hunting by special permit only, selected by lottery.
- 1.16.1.1 Hunters selected will be assigned to hunt one of four periods designated by DEM.
- 1.16.1.2 Six (6) hunters will be permitted per hunting period.
- 1.16.1.3 DEM will assign hunters selected by lottery at their sole discretion.
- 1.16.1.4 Applications (available at www.dem.ri.gov) to hunt state lands must be postmarked by August 15.
- 1.16.2 A Block Island archery, muzzleloader or shotgun deer permit is required to hunt deer on Block Island. A hunter may purchase five (5) Block Island deer permits. After checking as required, a hunter may purchase additional Block Island archery, muzzleloader or shotgun deer permits to take additional deer on Block Island. Hunters may not possess more than five (5) Deer Permits of any type at one time.
- 1.16.3 Private landowner permission, counter-signed by the Chief of Police, is required for all hunting. Private landowners may give permission for archery, shotgun, or muzzleloader hunting on their property. Permission will be tracked by the Police Department.
- 1.16.4 Ammunition permitted for shotgun deer season includes rifled slugs or sabot round. Shotguns of 10, 12, 16, or 20 gauges are allowed. Buckshot is prohibited.
- 1.16.5 Proficiency testing is required of all archery hunters that are hunting deer on Block Island. The proficiency card is valid for two (2) years from the date of issue. The proficiency card must be carried while hunting.
- 1.16.6 All other deer season regulations apply. Equipment permitted for archery season includes crossbows and adaptive aids as described.
- 1.16.7 All deer hunters must wear 500 square inches of fluorescent orange, except archery hunters during the archery only portion of the season are exempt from this requirement.

PART II

SPECIAL DEER SEASONS

- 2.1 **Junior Archery Hunting Weekends (Zone 1 and 2)**: September 8 and 9, for those junior hunters (ages 12-14) in possession of a valid Rhode Island Junior Hunting License. Junior hunters must be accompanied by at least one qualified license adult who is at least 21 years of age or older and holds a valid Rhode Island hunting/archery license. An adult may accompany no more than two junior hunters at one time. Adults are prohibited from carrying bows. Junior hunters may use Antlered Deer or Antlerless Archery Deer Permits as provided.
- 2.1.1 Prudence-Patience Islands (Zone 3) Junior Hunter Archery Weekend October 13 and 14 for those junior hunters (ages 12-14) in possession of a valid Rhode Island Junior Hunting License. Junior hunters must be accompanied by at least one (1) qualified license adult who is at least 21 years of age or older and holds a valid Rhode Island hunting/archery license. An adult may accompany no more than two (2) junior hunters at one time. Adults are prohibited from carrying bows. Junior hunters may use Antlered or Antlerless Archery Deer Permit as provided.
- 2.2 Prudence-Patience Island (Zone 3) Special Deer Season for Disabled Hunters. The taking of deer will be limited to paraplegic and double amputee hunters only.
- 2.2.1 A special hunting permit must be obtained through the DEM License Division, 235 Promenade St. Providence, RI 02908 (401) 222-3576 by each applicant prior to the hunt. None will be issued on the island. An application signed by a physician for a first-time hunter, or a photocopy of a previous paraplegic/double amputee hunting license, is required.
- 2.2.2 None of the hunter's assistants will be allowed to hunt or carry loaded firearms at any time. No license is required of the assistants.
- 2.2.3 All deer taken must be checked as provided.
- 2.2.4 All deer wounded, but not recovered, must be reported to DEM within 24 hours.
- 2.2.5 Ammunition is limited to a single lead or alloy projectile, rifled slug or sabot rounds in 10, 12, 16, or 20 gauge only. Buckshot is prohibited. Hunters may use muzzleloader firearms on Prudence Island as defined under Muzzleloader Deer Season.

PART III

COOPERATIVE HUNTING PROGRAMS

- 3.1 **North West Cooperative:** The Northwest Cooperative Deer Hunting permits serve as written permission for hunting this private land during the open deer seasons. These permits must be carried in addition to your individual deer permits. Turkey hunting is also permitted on Northwest Cooperative with a valid license and turkey permit. No additional Northwest permit is required for turkeys.
- 3.1.1 Deer hunters must have Special Permits to hunt the Northwest Cooperative. A permit is required for each season: Archery, Muzzleloader, and Shotgun. The Division reserves the right to alter the number of hunters, permits, or days of hunting as conditions warrant. Permits must be returned by the end of February. Hunters must return permit to be eligible for the next season's permit.
- 3.1.2 Permits are available after September 1, and may be obtained by sending a (LEGAL SIZE) self-addressed stamped envelope to: NORTHWEST COOP., R.I. Division of Fish and Wildlife, 277 Great Neck Road, West Kingston, RI 02892. Indicate the permit type (e.g. archery, muzzleloader, and/or shotgun).
- 3.2 **TNC Deer hunting Cooperative:**
- 3.2.1 Francis Carter Preserve:
- 3.2.1.1 Is restricted to archery hunting of deer. No special permit required. No hunting of any other species of wildlife is permitted.
- 3.2.1.2 No firearms are allowed on the property at any time. No vehicles of any kind are allowed on the property.
- 3.2.1.3 The construction of or use of permanent tree stands is prohibited. The use of nails, spikes, bolts, or devices that may damage trees is prohibited. Climbing tree stands are permitted. Tree stands must be removed at the end of the season.
- 3.2.2 Queens River Preserve:
- 3.2.2.1 Deer hunting only with archery equipment only. No special permit required. No hunting of any other species of wildlife is permitted.
- 3.2.2.2 No firearms are allowed on the property at any time. No vehicles of any kind are allowed on the property.

3.2.2.3 The construction of or use of permanent tree stands is prohibited. The use of nails, spikes, bolts, or devices that may damage trees is prohibited. Climbing tree stands are permitted. Tree stands must be removed at the end of the season.

3.2.3 Cuttyhunk Brook Preserve:

3.2.3.1 Deer hunting only with archery, muzzleloader and shotgun permitted following Zone 2 regulations. No hunting of any other species of wildlife is permitted.

3.2.3.2 No vehicles of any kind are allowed on the property.

3.2.3.3 The construction of or use of permanent tree stands is prohibited. The use of nails, spikes, bolts, or devices that may damage trees is prohibited. Climbing tree stands are permitted. Tree stands must be removed at the end of the season.

3.3 **Beavertail Cooperative:** No hunting on weekends prior to December 31. No hunting of any other species of wildlife is permitted.

3.3.1 No firearms are allowed on the property at any time.

3.3.2 The construction of or use of permanent tree stands is prohibited. The use of nails, spikes, bolts, or devices that may damage trees is prohibited. Climbing tree stands are permitted and must be removed at the end of the season.

3.3.3 Proficiency testing is required for all archery hunters on the Beavertail Cooperative Archery Deer Hunting Area. The proficiency cards are valid for two (2) years from the date of issuance and must be carried while hunting. Either Prudence/Patience Island or Hunter Ethics/Landowner Relations proficiency cards are permitted.

3.3.4 A Beavertail Cooperative Archery Deer Hunting Area Permit is required and will serve as written permission to hunt this property. The permit can be obtained in person at the Jamestown Police Station. This permit must also be carried while hunting. Hunters must return their card regardless of activity or success by February 15, 2013 in order to be eligible for next season.

3.3.5 Countersigned permission of the chief of police or his/her designee is required. Archers must reserve to hunt on the official sign-in log at the police station. Ten (10) hunters will be permitted per day on a first come

first served basis. Hunters may sign up for five (5) slots per week, no more than twenty (20) days in advance. Unused slots must be cancelled. Successful hunters must also cancel any reserved slots. Hunters will be provided with a map, safety zone and parking restrictions. Compliance with these and all other hunting regulations is required for future hunting privileges on this parcel. The number of hunters and days of hunting are subject to change.

- 3.4 **Grills Preserve Cooperative:** Hunting during the open season for deer and wild turkey at the Grills Preserve-Westerly Land Trust Property located west of Bowling Lane and Route 91 in Bradford, RI and the Grills Preserve II – Hopkinton Land Trust located east of Route 91 in Hopkinton. Special permits to hunt either Grills I and Grills II may be obtained from: RIDEM Fish and Wildlife. Permits available after September 1st, and may be obtained by sending a self-addressed (LEGAL SIZE) stamped envelope to: GRILLS PRESERVE COOP., R.I. Division of Fish and Wildlife, 277 Great Neck Road, West Kingston, RI 02892.
- 3.4.1 Hunting is permitted only during the archery and muzzleloader portion of the deer season.
- 3.4.2 Turkey hunting is permitted in accordance with rules for the established turkey seasons.
- 3.4.3 Hunting permits and hunting effort data are to be returned at the conclusion of the spring turkey season.
- 3.5 **Burlingame North Camp Hunting Area – North Camp Portion**
- 3.5.1 Hunting for deer or turkey by permit only available from the RI DEM Division of Fish and Wildlife, Great Swamp Field Headquarters, 277 Great Neck Road, West Kingston, R.I. 02892 by mail with a self-addressed stamped envelope. All other deer hunting regulations apply.
- 3.5.2 Hunting is allowed in designated areas only; obey all safety zones as marked on map enclosed with permit.
- 3.5.3 The following are **PROHIBITED**: Hunting birds on or within 100 yards of the shore of Watchaug Pond or Poquiant Brook as referenced in RIGL 20-14-8; and, Hunting birds in that portion of the park west of Watchaug Pond, west of Poquiant Brook and south of Buckeye Brook Road as referenced in RIGL 20-14-8.1.
- 3.6 **Providence Water Supply Cooperative:** Open for deer hunting only by special permit within portions of the Scituate Reservoir Property (approximately 5000 acres). Permits will be available to hunters selected by lottery to participate in the

hunt. This hunt will follow season dates and bag limits for deer hunting during archery, muzzleloader and shotgun seasons established by the DEM.

- 3.6.1 Hunters must abide by all State deer hunting seasons for Zone 1, regulations and the additional requirements of this permit. The hunt may be suspended at any time due to conditions at the exclusive determination of the DEM and the Providence Water Supply Board.
- 3.6.2 Hunters selected by lottery will be allowed to designate one hunting partner.
- 3.6.3 Seven parcels will be open for deer hunting. Five parcels will participate in the regular lottery and two parcels will be designated archery only group-hunt areas. Applicants may only apply for one type on the application. Details about the hunting program will be specified on the DEM hunt application forms.
- 3.6.4 Hunters will be required to attend a pre-hunt meeting (to obtain maps and specific instructions) and must possess a hunting license and a minimum of two valid antlerless deer hunting tags at that meeting.
- 3.6.5 Hunters are required to have the written permit and a photo ID in their possession at all times while hunting and are required to fill out a daily hunting record log for the entire season. The hunting permit and daily hunting record must be returned to DEM at the conclusion of the season (by February 15).
- 3.6.6 Construction of permanent tree stands is prohibited; however, the use of climbing, ladder or hang on stands that do not damage trees are allowed. Tree stands must be removed immediately at the conclusion of the season.
- 3.6.7 No hunting for any other species or any other activities is permitted.
- 3.6.8 Applications to hunt the cooperative are available online (www.dem.ri.gov) or by sending a self-addressed stamped envelope to the Great Swamp Field Headquarters, 277 Great Neck Road, West Kingston, RI 02892. Applications must be postmarked by August 15, 2012.
- 3.6.9 Failure to comply with any and all provisions of this cooperative hunting season will result in the hunter being terminated from the program.

PART IV MIGRATORY GAME BIRDS

4.1 **Mourning Doves** -The open season for mourning doves is statewide:

4.1.1 Dates

4.1.1.1 September 15 to October 14;

4.1.1.2 October 20 to November 10;

4.1.1.3 December 19 to January 5

4.1.2 Shooting hours are:

4.1.1.1 First split: noon to sunset.

4.1.1.2 Second and third split: sunrise to sunset

4.1.3 Daily bag / possession limits: 12 / 24

4.2 **Rails** – The open season for rails is:

4.2.1 September 1 to November 9.

4.2.2 Daily bag / possession limits:

4.2.1.1 King & Clapper Rail – 1 / 2, singly or in aggregate

4.2.1.2 Sora & Virginia Rail – 3 / 6, singly or in aggregate

4.2.3 Shooting hours are ½ hour before sunrise until sunset

4.3 **Common snipe:** The open season for common snipe is:

4.3.1 September 1 to November 9

4.3.2 Daily / possession limits: 5 / 10

4.3.3 Shooting hours are ½ hour before sunrise until sunset

4.4 **Woodcock:** The open season for woodcocks is:

4.4.1 October 20 to November 30.

4.4.2 Daily bag / possession limits: 3 / 6

- 4.4.3 Shooting hours are ½ hour before sunrise until sunset
- 4.5 **Crows:** The open season for crows is:
 - 4.5.1 August 17 to October 7 – Fridays, Saturdays, and Sundays only.
 - 4.5.2 October 13 to November 30, inclusive.
 - 4.5.3 December 14 to April 15 – Fridays, Saturday, and Sundays only.
 - 4.5.4 Hunting hours for crows are half hour before sunrise to half hour after sunset.
 - 4.5.5 The season on Prudence Island, except for North Prudence Island Management Area is January 4 to 31.
 - 4.5.6 No daily bag or possession limit.
- 4.6 **Non-toxic Shot Requirements:** No person shall take or attempt to take waterfowl, rails, or snipe within the State of Rhode Island, including Narragansett Bay and its coastal waters, to the three mile limit, while possessing shells loaded with any shot other than non-toxic shot (e.g., steel, bismuth-tin, tungsten-iron, tungsten-polymer, tungsten-matrix, and tungsten-nickel-iron-shot) and other shot as approved by USFWS. All shot larger than BB is prohibited, including duplex loads containing shot larger than BB.
- 4.7 Allowed methods of taking and prohibited methods of taking migratory birds and waterfowl, are the same as set forth in 50 CFR 20 (sub parts A through N) of the U.S. Department of the Interior, Fish and Wildlife Service, made under the provisions of an Act of Congress relating to migratory birds and waterfowl. A Harvest Information Permit (HIP) permit is required for hunting all migratory birds. HIP permits will be available at local vendors. Instructions and details will be available prior to the seasons. In addition, hunters must purchase a federal and state duck stamp to hunt waterfowl.
- 4.8 **Canada Goose:** The Special September season for Canada goose:
 - 4.8.1 September 1-30
 - 4.8.2 Daily bag limit is 15/30 in possession (subject to Federal approval).
 - 4.8.3 Shooting hours are one half hour before sunrise to one half hour after sunset for September Canada goose hunting only.

- 4.8.4 A permit must be obtained from the RI Division of Fish and Wildlife prior to hunting during the Special September Canada Goose Season by sending a LEGAL SIZE self-addressed stamped envelope to: RI Division of Fish and Wildlife, 277 Great Neck Road, West Kingston, RI 02892.
- 4.8.5 The hunting permit must be returned to the Division per date designated on the permits regardless of hunting success. Hunters must return the permit to be eligible for the 2013 September Goose Season to above address.
- 4.9 **Sea Ducks:** The season for sea ducks (eider, long-tailed duck & scoter) is:
 - 4.9.1 October 6 to January 20
 - 4.9.2 Daily bag / possession limits 5 / 10, no more than four (4) of which may be eider, scoter, or long-tailed duck.

PART V UPLAND GAME

- 5.1 Legal shooting hours for all game birds and mammals, except dove, turkey, migratory birds, coyote, deer, and raccoon will be sunrise to sunset, except as otherwise provided. On Opening Day, legal shooting hours will be 7:00 AM to sunset.

- 5.2 Red Fox, Gray Fox, Gray Squirrels, Cottontail Rabbits, and Snowshoe Hare open season:
 - 5.2.1 October 20 through the last day of February 2013

 - 5.2.2 Daily Bag Limits:
 - 5.2.2.1 Cottontail Rabbits – Three (3)
 - 5.2.2.2 Snowshoe Hare – one (1)
 - 5.2.2.3 Gray Squirrels – Five (5)
 - 5.2.2.4 There is no bag limit for fox.

 - 5.2.3 **Prudence Island:**
 - 5.2.3.1 November 1 to November 30
 - 5.2.3.2 The North Prudence Island Management Area season is January 4 - 31.
 - 5.2.3.3 South Prudence and Patience Management Areas closed to shotgun small game hunting.

- 5.3 Bobwhite Quail, Ruffed Grouse and Ring-necked Pheasant open season:
 - 5.3.1 Quail: October 20 – November 25.
 - 5.3.2 Ring-necked Pheasant: October 20 – February 28
 - 5.3.3 Junior Pheasant Season: October 13th and 14th
 - 5.3.4 Ruffed Grouse: Season Closed

 - 5.3.5 Daily Bag Limits
 - 5.3.5.1 Ring-neck Pheasant: two (2) birds.

- 5.3.5.2 Bobwhite Quail: three (3) birds.
- 5.3.6 **Game Bird Permit:** Hunters are required to purchase a Game Bird Permit in order to hunt pheasants. Immediately upon harvesting a pheasant, hunters must detach a tag from the permit and affix the pheasant tag to the bird's leg. Hunters may purchase multiple Game Bird Permits per season.
- 5.3.7 **Prudence Island:** November 1 to 30 – except that on North Prudence Island Management Area the season is January 4 to 31.
- 5.3.8 **New Shoreham:**
 - 5.3.8.1 Open season Ring-necked pheasants: November 21, 28
December 5, 12, 19, 26 and January 2, 16
 - 5.3.8.2 Daily bag limit (2) male pheasants
- 5.4 **Junior Pheasant Hunting Weekend:** Pheasant hunting is permitted during the special Junior Pheasant Hunting Weekend for those junior hunters in possession of a valid Rhode Island Hunting License and a 2012 Game Bird Permit. Junior hunters must be accompanied by at least (1) one qualified license adult, age 21 years or older, who holds a valid Rhode Island hunting license. An adult may accompany no more than two (2) junior hunters at one time. The accompanying adult is prohibited from carrying a firearm and hunting pheasant. Hunting will only be permitted at the Great Swamp Management Area in West Kingston and at Durfee Hill Management Area in Glocester. Bag limit is (2) two pheasants per day. Registration is required. Adults may call Fish & Wildlife Field Headquarters at 789-0281 or Hunter Education at 783-2304 for information. A limit of 50 parties per management area will be permitted. In the event of fiscal constraints, the program may be altered.
- 5.5 No person or club shall possess a live, artificially propagated pheasant without having a valid game propagation permit in possession.
 - 5.5.1 Each artificially propagated pheasant must be tagged immediately upon harvest for identification with a game propagation tag supplied by the Division, at cost to the game propagation permittee.
 - 5.5.2 Permits for propagated pheasant hunting are available from the Division of Licensing, Room 360, 235 Promenade Street, Providence, RI 02908. Such permit shall be issued upon a demonstration that the applicant has met each of the following:
 - 5.5.2.1 Payment of five dollars (\$5.00) permit fee

- 5.5.2.2 Presentation of proof that the applicant is a bonafide hunting club at the time of the application or application of renewal.
- 5.5.2.3 Presentation of proof that the applicant is a bonafide hunting club owning a single body of land consisting of twenty-five (25) or more acres at the time of the application or application of renewal. (hereinafter referred to as the 'site')
- 5.5.2.4 Each game propagation permittee must keep an accurate record of all pheasants held by it; how, when, and where acquired; how many released and when released; and how many taken on the site. Permittee must provide this information to the Department within twenty-four (24) hours of the receipt of a request for such records from a Department staff member or no later than March 15th following the closure of the season.
- 5.5.2.5 Each game propagation permittee is authorized to release and harvest pheasants upon its site during the pheasant hunting season provided above for the taking on the site by club members and their guests provided the following restrictions are observed. Pheasants may only be taken by hunters with a valid Rhode Island hunting license. Hunters are not required to have a state pheasant permit; however, hunters must tag each harvested pheasant with the game propagation tag.
- 5.5.2.6 Hunters may not exceed the daily bag limit for pheasant provided herein: no more than two (2) birds may be harvested on the site during any day per hunter.
- 5.5.2.7 If a game propagation permittee is found to have provided false information in conjunction with its application, fails to comply with any provision or if it or a member or guest violates any provision, the permit shall be revoked for the remainder of the season and the action of the permittee or its member shall be considered if and when the permittee applies for re-issuance of a permit. Pursuant to RI Gen. Laws, Chapter 42-17.7, a permittee who feels aggrieved by an enforcement action to revoke the subject's permit and who seeks an adjudicative hearing must seek such hearing by filing a written request with the Administrative Adjudication Division, 235 Promenade St., Providence, RI 02908 within twenty (20) calendar days of receipt of notice of revocation. A permittee who feels aggrieved by a permit denial and seeks an

Adjudicative hearing must seek such hearing by filing a written request with the Administrative Adjudication Division, 235 Promenade St., Providence, RI 02908 within thirty (30) calendar days of receipt of the contested agency action.

- 5.6 The hunting seasons on woodchucks, crows, English sparrows, starlings, and rock doves is open on Prudence Island November 1 through November 30. South Prudence and Patience Management Areas are closed to shotgun small game hunting.
- 5.7 The hunting of any species of wildlife EXCEPT deer, coyote, and waterfowl as provided, is prohibited Statewide during the annual shotgun deer season. State lands will remain open to upland hunting during the private land only portions of the shotgun deer season.
- 5.8 Methods of Take for small game hunting include .22 rimfire, shotgun, bow and arrow, muzzleloader, crossbow and air rifle.
 - 5.8.1 Hunters may use shotgun with lead shot (not larger than No. 2) and .22 caliber rimfire, shotgun, bow and arrow, muzzleloader, and air rifle.
 - 5.8.2 A muzzleloader, not to exceed .40 caliber, may be used to hunt small mammals during the established season for these species.
 - 5.8.3 Air gun rifles are permitted to hunt the following small mammals: gray squirrels, red squirrels, woodchucks, cottontail rabbits, and snowshoe hare provided that the air guns are a minimum of .177 caliber and not large than .22; a minimum of 750 FPS velocity with pellets 7.5 grain or larger.
 - 5.8.4 Hunters may use archery equipment for small game hunting meeting the minimum requirements for deer hunting and with the use of arrows containing small game blunt, judo or other similar small game harvest points.
 - 5.8.5 Hunters may use crossbow to take small game mammals; however, no birds may be taken with a crossbow.

PART VI WILD TURKEY

6.1 Turkey Seasons Dates:

- 6.1.1 Special Gobbler Season – Paraplegic hunters: April 20 and 21
- 6.1.2 Junior hunter Turkey Hunting Weekend: April 20 and 21
- 6.1.3 Statewide Spring gobbler season: April 25 – May 21
- 6.1.4 Fall archery season: October 1 – November 28

6.2 Season bag and possession limits:

- 6.2.1 One (1) bearded turkey in the spring season
- 6.2.2 One (1) either sex turkey in the fall season.
- 6.2.3 A separate permit must be purchased to hunt in each season.

6.3 Special Paraplegic Season:

- 6.3.1 A special turkey permit must be obtained from the DEM
- 6.3.2 Hunting in this season will be limited to paraplegic hunters only.
- 6.3.3 An application signed by a physician for a first-time hunter is required. Applications are obtained from DEM Division of Licensing.
- 6.3.4 None of the hunter's assistants will be allowed to hunt or carry firearms at any time.

6.4 Junior Turkey Hunting Weekend:

- 6.4.1 Wild turkey hunting is permitted during the Junior Turkey Hunting Weekend for those junior hunters, (ages 12-14), in possession of a valid Rhode Island hunting license. Junior hunters must be accompanied by at least one qualified license adult at least 21 years of age or older who holds a valid Rhode Island hunting/archery license. An adult may accompany no more than two junior hunters at one time. The accompanying adult is prohibited from carrying firearms and bows but is permitted to assist the junior in calling the bird.
- 6.4.2 Bag limit is one (1) bearded turkey per license per year.

- 6.5 The Division reserves the right to alter the number of permits and the number of hunting days at any time.
- 6.6 The hunting of wild turkey is allowed statewide.
- 6.7 Hunting hours: Spring hunting hours are one half hour before sunrise to 1:00 PM Eastern Daylight Time. All hunters must leave the woods no later than 1:00 PM. Fall hunting hours are one-half hour before sunrise until sunset.
- 6.8 Authorized firearms and archery equipment: The methods of taking are limited to shotguns, gauges 10, 12, 16, and 20 only, with shot sizes 4, 5, and 6 magnum loads only; and by archery equipment consisting of a long bow (straight limb, reflex, re-curve, and compound bow) of not less than forty (40) pounds pull, and broadhead arrows with at least two cutting edges seven eighths inches (7/8") or greater at the widest point. A bowstring release device where the bow is hand held, hand drawn and finger released is allowed. Legal bows must meet the definition of a legal bow as defined in these regulations. Crossbows are not permitted for turkey hunting. Possession of a firearm while archery hunting for turkey is prohibited.
- 6.9 **Prohibited Activities:**
- 6.9.1 The use of any other firearm, live decoy(s), baiting, cooperative drive(s) electric calling devices or any other devices to capture or ensnare turkeys is prohibited.
- 6.9.2 Stalking or attempting to sneak up on a turkey to get a shot is prohibited.
- 6.9.3 Hunters are prohibited from hunting unless they are carrying a turkey calling device (non-electric). Calling is the only legal method for hunting wild turkey. An individual with a valid Rhode Island hunting license may call turkeys for hunters with a valid turkey permit.
- 6.9.4 A person is prohibited from hunting, killing, taking or attempt to take, or possessing any wild turkey unless they possess on their person a valid R.I. hunting license and a valid turkey hunting permit.
- 6.10 **Checking Requirements:** A person killing a wild turkey must immediately sign, complete and attach to the leg in a conspicuous manner the turkey tag provided with the permit. The tag must remain attached to the turkey and the kill reported to DEM within 24 hours of taking by the pre-paid Turkey Season Kill Report Card, as prescribed by DEM. The Division retains the right to sample any and all tissues deemed necessary. The turkey tag must remain attached until the carcass is prepared for consumption or taxidermy.

- 6.11 A mandatory hunter survey card will be issued to each person purchasing a turkey permit. This hunter survey must be returned to the Division within ten (10) days of the end of the season whether or not you hunt or were successful.

PART VII FURBEARERS

7.1 Furbearers as listed by RIGL 20-16-1.

7.2 Raccoon -

Open season - The open season for raccoon hunting is from 6:00 PM October 1 through the last day in February, inclusive; excluding the period of Shotgun Deer Season: December 1 - December 16 statewide. That portion of Providence County east of the Blackstone River will remain open to raccoon hunting during the shotgun deer season.

Bag Limits - There is no season limit on raccoon. There are no limits to the taking of raccoon by bow hunters as provided above, or under special permit on Prudence and Patience Islands. There is no bag limit.

7.2.1 In the Town of Portsmouth on Prudence Island, the season is limited to January 3 through the last day of February, inclusive, with written permission of the landowner. Bow hunters with a valid deer archery permit may take a raccoon on Prudence Island during legal deer hunting hours October 20– January 31.

7.3 The trapping season for gray fox, red fox, mink, muskrat, opossum, rabbit, raccoon, skunk, and weasels is November 1 – January 31 inclusive. Traps may not be set, staked, or placed prior to 8:00 AM on opening day, November 1st, annually.

7.3.1 The trapping season for beaver on private land is November 1– March 14, inclusive. The trapping season for beaver on state management areas is December 1 – February 28 inclusive. Traps may not be set, staked, or placed prior to 8:00 AM on opening day. Setting traps within ten (10) feet of a beaver lodge/bank den is prohibited, unless specifically allowed under a nuisance permit. All trappers participating in beaver trapping must first obtain both a Special Permit (no fee) issued by the Division of Fish and Wildlife Field Headquarters as well as a current RI Trapping License. There is a bag limit of twenty (20) beaver.

7.3.2 The trapping season for fisher (*Martes pennanti*) is December 1-24, inclusive. All trappers participating in the fisher trapping season must obtain a special permit (no fee) from the Division of Fish and Wildlife, Great Swamp Field Headquarters in addition to their current R.I. trapping license. The season limit for fisher is four (4) per permit. All fisher pelts must be presented for tagging, in accordance with fisher permit requirements but no later than December 31. In addition, all fisher carcasses or any part thereof, as determined by the Division, must be turned in to the RI Division of Fish and Wildlife, Great Swamp Field

Headquarters. No fisher pelts will be tagged without the submission of the carcass or required parts to Fish and Wildlife. A trapper survey card will be issued to each permittee and must be returned to the Division at the close of fisher season. The Division of Fish and Wildlife reserves the right to alter the number of permits or the number of fisher harvested at any time. All other general trapping regulations apply. All permittees may be subject to administrative penalties of up to \$1,000.00 for violation of any of these regulations pursuant to RIGL Chapter 42-17.6.

- 7.3.3 There is no closed season for trapping coyotes on private lands. The trapping season for coyotes on state lands is November 1 to January 31 inclusive. The use of foothold traps (RIGL 20-16-8) or snares (RIGL 20-16-6) is prohibited. All other general trapping regulations apply.
- 7.4 Body gripping (“Conibear”) type traps with a jaw spread up to but not exceeding 6½ inches as measured from hinge to hinge, are permitted on land or in water. Body gripping traps with a jaw spread larger than 6½ inches but not exceeding 8 inches are permitted only if the trap is completely submerged in water in a vertical position, or placed at least six (6) feet above the surface of water or ground (i.e., pole or tree sets). All other body-gripping type traps with a jaw spread exceeding 8 inches are prohibited.
 - 7.4.1 For the taking of beaver, the use of body-gripping (“Conibear”) type traps are with a jaw spread up to but not exceeding 10 inches as measured from hinge to hinge is permitted. Such traps must be set completely submerged underwater and in a vertical position.
- 7.5 A permit to trap state management area lands is required in addition to a current Rhode Island trapping license, and may be obtained from the Division of Fish and Wildlife Field Headquarters, Great Swamp Management Area, 277 Great Neck Road, West Kingston, RI. The use of body-gripping (“Conibear”) type traps or “box” (i.e., live) traps are permitted on state lands as specified. Body-gripping traps, with a jaw spread up to but not exceeding 6½ inches as measured from hinge to hinge are permitted only if such traps are used in sets where all or a portion of the trap is in contact with or submerged in water or placed no less than six (6) feet above the surface of the ground. The use of body gripping traps with a jaw spread exceeding 6½ inches but not more than ten (10) inches are only permitted if such traps are set completely submerged in water in a vertical position.
- 7.6 All traps must have the valid license number of the trapper embedded or cut into the trap, or a metal tag attached to the trap which, as a minimum, bears the trapper’s license number as designated in RIGL 20-16-7.
- 7.7 There is no open season on bobcat (*Lynx rufus*) or otter (*Lontra canadensis*).

- 7.8 Possession, at any time, of a pelt or carcass of an otter, fisher, bobcat, or beaver that has not been tagged by an approved state or federal agency is prima-facie evidence of illegal taking. Otter or bobcat taken under RIGL 20-16-2, RIGL 20-16-8 or otherwise, shall not be tagged for personal use or ownership and must be presented to the Division of Fish and Wildlife or the Division of Law Enforcement within 24 hours of taking. Beaver and fishers must be tagged.
- 7.9 There is no closed season for woodchuck, red squirrel or coyote on private lands. During the firearms seasons for deer, all coyote hunters must possess a valid shotgun or muzzleloader deer permit for their respective seasons. The legal hunting hours for woodchucks and coyotes is one-half hour before sunrise to one-half hour after sunset. The use of electronic calls or decoys for hunting coyotes is permitted. There is no bag limit on woodchuck or coyote. Refer to RIGL 20-13-13 for firearms restrictions.
- 7.9.1 The hunting season for coyotes on state lands shall be from the beginning of dove hunting season in September to the last day in February inclusive and during the open spring turkey hunting season. The hunting season for coyotes on Prudence Island shall be: on state land during archery season with a valid archery permit, during the upland game season on private land, November 1 – November 30, 2012 and on North Prudence Management Area during upland season, January 1 – January 31, 2013.
- 7.9.2 During the spring turkey season, coyote hunters must possess a valid turkey hunting permit while hunting on state lands.
- 7.9.3 Coyote hunters on state lands must wear a minimum of 200 square inches of fluorescent orange during the small game hunting season. During the shotgun deer season, 500 square inches is required.
- 7.9.4 The placement or use of bait or carcasses for purposes of hunting coyotes on state lands is prohibited.
- 7.9.5 Legal methods of take for coyote hunting include shotgun (no lead shot larger than No. 2) and rifle not larger than .22 caliber rimfire at any time, bow and arrow and crossbow; however, on private lands from April 1 to September 30, (both dates inclusive), centerfire rifles not larger than .229 caliber may be used (RIGL 20-13-13), and by any means allowed during any concurrent hunting season.
- 7.10 It is unlawful to take or possess a road-kill furbearer (RIGL 20-16-1) unless with possession of a current Rhode Island trapping license and the furbearer is taken during the open season for the species, or as provided for under the provisions of a current Rhode Island Scientific Collector's Permit (RIGL 20-1-18). Exceptions may be granted at the discretion of the Division.

- 7.11 The translocation of protected furbearers (RIGL 20-16-1) is prohibited without prior written approval of the Division of Fish and Wildlife.
- 7.12 The use of “species specific” type traps as described in the definitions section of these regulations is permitted for trapping furbearers on private and state lands. A legal species specific trap is characterized by all of the following:
 - 7.12.1 Triggering and restraining mechanisms are enclosed within a housing.
 - 7.12.2 Triggering and restraining mechanisms are only accessible through a single opening when set;
 - 7.12.3 The access opening does not exceed two inches in diameter;
 - 7.12.4 The triggering mechanism can only be activated by a pulling force.
 - 7.12.5 A swivel mounted anchoring system.

PART VIII REPTILES AND AMPHIBIANS

- 8.1 The removal from the wild, for any purpose, of any reptile or amphibian (except bullfrogs, green frogs, and snapping turtles) to include their nests and eggs is prohibited except by special permit. The taking of snapping turtles at any time is limited to the following methods: Turtle traps, snagging, snaring, grabbing, jugging, bow and arrow, or while legally fishing. Turtle traps must have a metal tag attached, which, at a minimum, bears the trapper's name and address. Jugs must be marked indelibly with name and address of trapper. The taking of snapping turtles for commercial purposes is prohibited except by special permit.
- 8.2 The following species of reptiles and amphibians to include their nests and eggs are protected and possession without permit is prohibited at all times: Timber rattlesnake, *Crotalus horridus*; northern diamondback terrapin, *Malaclemys terrapin*; wood turtle, *Clemmys insculpta*; eastern box turtle, *Terrapene Carolina*; spotted turtle, *Clemmys guttata*; and bog turtle, *Clemmys muhlenbergi*.
- 8.3 The release into the wild of any non-native reptile or amphibian is prohibited.

PART IX MANAGEMENT AREAS

- 9.1 The possession of a valid Rhode Island hunting, or combination hunting and fishing license, serves as the permit to hunt State Management Areas, and Tidal Lands pursuant to Title 20, Chapter 18, §§20-18-2 and 20-18-3 of the RI General Laws.
- 9.2 Permit is valid from the first day of dove season in September through the last day of February, except when check stations are in operation for upland game at the Great Swamp, Carolina, Durfee Hill, and Arcadia; for turkey hunting; when special permits are required for deer hunting; or for waterfowl hunting on state lands. (See current abstract for check station dates). Bow hunters and muzzleloading hunters hunting deer on state management areas do not need to check in or out.
- 9.2.1 In the event of fiscal constraints, check station hours of operation are subject to change. Notification will be provided by signage and news release. In addition, management areas may be closed for pheasant stocking at noon until sunset, Friday, October 19; Tuesdays and Fridays from October 26 until November 15; Wednesday, November 21; and Fridays in December.
- 9.3 The carrying of firearms on state management areas at any other time is prohibited except as provided in Management Area Regulations. On management areas and designated undeveloped parks, the carrying of firearms and bows and arrows at any time, except during the open season for game birds and mammals, and while on shooting ranges, is prohibited. In addition to above, blank guns are permitted for the purpose of dog training in designated areas from January 1 to September 30.
- 9.4 Individuals must check in, and out, of state management hunter check stations each day they are open for upland season. Check station dates will be listed in the current Hunting Season Abstract.
- 9.5 From the period April 1 through August 15, annually, the following are prohibited except by special permit: trespassing, disturbing, or molesting of any species of nesting birds on Hope Island in West Passage, East Island and West Island off Sakonnet Point, or Gould Island in the East Passage. All cats, dogs, and other domestic animals are prohibited at all times upon these Islands, except that hunting dogs may be used during that period set aside by the Department of hunting game birds and mammals on Hope Island only.
- 9.6 All users of State Management Areas and undeveloped State Parks are required to wear solid daylight fluorescent orange during appropriate seasons.

- 9.7 The possession and/or use of paint guns on state management areas are prohibited. See RIGL § 32-2-4.
- 9.8 A hunting license is required when training dogs on wild game on state management areas, except when participating in state-sanctioned field trials.
- 9.9 Complete dressing of game birds on mammals on state property is prohibited. Field dressing (removal of entrails only) is permitted. Head, skin, feathers, wings, tails, etc., must remain attached to the carcass.
- 9.10 Dogs on State Management Areas allowed only under the following rules.
 - 9.10.1 No dogs are allowed to be trained, run, exercised, or be permitted to run at large on state management areas from March 15 to August 15, inclusive, without written permission of the Division of Fish and Wildlife except as otherwise provided in these regulations.
 - 9.10.2 Walking of dogs on a leash of not more than 25 feet in length is permitted on roads and trails only.
 - 9.10.3 All dogs must be wearing a collar with the name and address of the owner or handler and license tag.
- 9.11 Dog Training Areas – Dog training is allowed on designated areas only, between January 1 and September 30. During this period, dogs may run freely provided they are under the command of the trainer by voice, training collar, or check cord.
 - 9.11.1 Areas designated for training dogs are: the Black Farm Management Area, the Nicholas Farm Management north of the Trestle Trail; and the Arcadia Midway Trail Area confined to the developed field complex east of Brook Trail, south of Austin Farm Road and west of the established field edges comprising the Midway fields area. Field trail areas are as depicted on maps drawn by the Division of Fish and Wildlife.
 - 9.11.2 Training hours are sunrise to sunset.
 - 9.11.3 All persons using areas for training must possess a hunting license.
 - 9.11.4 All dogs using areas must be licensed and have proof of rabies vaccinations.
 - 9.11.5 Training with live birds (pheasants/quail) is permitted provided the bird is released unharmed and all necessary permits are obtained.

- 9.11.6 Shooting of live birds for training purposes is prohibited.
- 9.11.7 Sanctioned field trial events may be held at the following locations by requesting a special permit from the Division of Fish and Wildlife: Arcadia, Carolina, Durfee Hill Marsh, and Burlingame (Durfee) Pond, and Nicholas Farm.
- 9.12 JOHN L. CURRAN STATE PARK/MANAGEMENT AREA:
 - 9.12.1 All hunting must be within the inner boundaries of the buffer zones marked as posted by the Department.
 - 9.12.2 Only shotguns and bow & arrows may be possessed or used while hunting.
 - 9.12.3 The hunting of and/or possession of Mourning Dove or Wild Pigeons (Rock Dove) is prohibited.
- 9.13 SIMMONS MILL POND MANAGEMENT AREA: Only archery equipment, bow and arrows may be possessed or used while hunting deer within the Simmons Mill Pond Management Area in Little Compton. Sunday hunting will be allowed.
- 9.14 DUTCH ISLAND:

The entry upon Dutch Island is prohibited. No person is allowed to enter onto Dutch Island without the specific written permission of the Director.
- 9.15 SAPOWET and EIGHT ROD FARM MANAGEMENT AREA:

Sunday hunting is allowed within the Sapowet Marsh and Eight Rod Farm Management Area. No shotgun and/or muzzleloader deer hunting on Sapowet.
- 9.16 GEORGE WASHINGTON GROVE: Designated as an undeveloped state park and is open to hunting.
- 9.17 GALILEE BIRD SANCTUARY: Open to archery deer hunting only.
- 9.18 Snake Den State Park: Designated as an undeveloped State Park and is open for Archery Deer Hunting. All hunting must be within the inner boundaries of the buffer zones marked as posted by the Department.

PART X GENERAL

- 10.1 Taking of moose or bear by any method is prohibited except as provided under special permit issued by the Director of the Department of Environmental Management.
- 10.2 The importation, exportation, possession, liberation, rehabilitation or sale, offer for sale, barter, or offer for barter of **mute swans and their eggs** is prohibited, except by special permit issued by the Director of the Department of Environmental Management or his/her designee.
- 10.3 The importation, exportation, possession, liberation, or sale, offer for sale, barter, or offer for barter of any live or pen-reared **wild turkey** or eggs of a wild turkey is prohibited. The possession of any dead untagged wild turkey is prohibited.
- 10.4 There is no closed season for monk parakeets or rock doves (wild pigeons).
- 10.5 **Fluorescent Orange Requirement:** Fluorescent orange safety clothing is required during the hunting season statewide for all hunters. To meet this requirement, safety clothing must be solid daylight fluorescent orange. Fluorescent camouflage does not meet this requirement. The hunter orange must be worn above the waist and be visible in all directions. Examples that meet the orange requirements are a hat that covers 200 square inches or combination of hat and vest covering 500 square inches. The following orange requirements apply:
 - 10.5.1 Two hundred (200) square inches by small game hunters during the small game season.
 - 10.5.2 Two hundred (200) square inches by fall turkey hunters while traveling.
 - 10.5.3 Two hundred (200) square inches by muzzleloaders during muzzleloading deer season.
 - 10.5.4 Two hundred (200) square inches by archers when traveling to/from stands during muzzleloading deer season.
 - 10.5.5 Five hundred (500) square inches by all hunters and other users (including archers) during shotgun deer seasons.
 - 10.5.6 Those hunters using Pop-up blinds during the firearms deer season must display 200 square inches of fluorescent orange visible on the outside of the blind from all directions. Hunters must also wear orange in accordance with the rules for the specific seasons while in the blind.

10.5.7 Exempt from fluorescent orange requirements are:

- Waterfowl hunters hunting from a boat or blind, over water or field, when done in conjunction with decoys.
- Archery deer hunters (except during muzzleloader and shotgun deer season).
- Hunters crow hunting over decoys.
- Spring turkey hunters and
- First segment dove hunters.
- Not required in areas limited to Archery only by regulation.

10.5.8 All other users of State Management areas and underdeveloped State Parks, including but not limited to hikers, bikers, and horseback riders, are required to wear two hundred (200) square inches of solid daylight fluorescent orange from the second Saturday in September to the last day of February, and the third Saturday in April to the last day in May, annually.

10.6 All dogs being utilized in hunting or training activities must wear a collar bearing the name and address of the owner and handler and must possess a valid dog license and tag.

10.7 Waterfowl hunting is permitted no more than 10 feet above mean high water on Prudence Island, except during the early waterfowl season, as established by federal regulation and during November 1 – 30.

10.8 Shooting at any animal at any time, while such animal is on a telephone line, pole, or tower, or electric line, pole, or tower, or any communication device is prohibited.

10.9 It is prohibited to import or possess game birds for the purpose of liberation or stocking of said game bird into the State of Rhode Island without first having received a permit to do so from the Division of Fish and Wildlife. Persons holding a commercial game license or shooting preserve license may liberate game birds or mammals in connection with field trials and shooting preserves (see RIGL 20-2-16.1, 20-2-29, and 20-17-1).

10.10 Feeding and baiting wildlife in Rhode Island: feeding wild waterfowl, wild turkey or wild cervids, black bear and coyote is not permitted any time in the state of Rhode Island except:

10.10.1 Under a license or permit issued by the Department pursuant to RI General Laws §20-1-18 for bona fide scientific research;

10.10.2 By planting, cultivating, or harvesting of crops directly associated with bona fide agricultural practices, including planted wildlife food plots;

- 10.10.3 By distribution of food material for livestock directly associated with bona fide agricultural practices; by distribution of food material for legally possessed captive wildlife, pursuant to a permit;
 - 10.10.4 By cutting of trees or brush; or
 - 10.10.5 Elevated bird/squirrel feeders providing seed, grain, fruit, worms or suet for birds or squirrels located within 100 feet of an occupied dwelling.
 - 10.10.6 Baiting coyotes on private land for purposes of hunting.
 - 10.10.7 The leaving out of food of any kind where accessible to wildlife is prohibited.
- 10.11 Distribution of Certain Food Material – Feeding wild or captive cervids with any material that contains protein derived from any mammalian tissues is prohibited.

RULE 8 EFFECTIVE DATE

The foregoing Rules and Regulations – Hunting Regulations after due notice, are hereby adopted and filed with the Secretary of State to become effective 20 days after filing, in accordance with the provisions of Chapter 20-1-2, 20-1-4, 20-1-8, 20-1-12, 20-1-13, 20-18 and 42-35 of the General Laws of Rhode Island of 1956, as amended.

Janet Coit, Director
Rhode Island Department of Environmental Management
