## **TITLE 216 - DEPARTMENT OF HEALTH**

### **CHAPTER 10 - PUBLIC HEALTH ADMINISTRATION**

#### **SUBCHAPTER 05 - PRACTICES AND PROCEDURES**

PART 2 - Fee Structure for Licensing, Laboratory and Administrative Services Provided by the Department of Health

#### **2.1 Authority**

These Regulations are promulgated pursuant to the authority set forth in R.I. Gen. Laws §§ 23-1-3(b), 23-1-17, and 23-1-54, and are for the purpose of establishing the specific licensing, laboratory or administrative fees contained in the individual statute(s) cited in these Regulations.

#### **2.2 Definitions**

- A. Wherever used in this Part, the following terms shall be construed as follows:
1. "Department" means the Rhode Island Department of Health.
  2. "Director" means the Director of the Rhode Island Department of Health.
  3. "License" means an authorization granted by the Department to engage in a business or occupation that is subject to regulations by the Department. For the purpose of this Part, a registration, certification, permit or similar authorization issued by the Department is also considered to be a license.
  4. "Private well water supply" means a source of well water used for human consumption and which is not a "Public Water System."
  5. "Public water system" means a system for the provision to the public of piped water for human consumption, provided such system has at least fifteen (15) service connections or regularly serves an average of at least twenty-five (25) individuals daily at least sixty (60) days out of the year, pursuant to Part 50-05-1 of this Title.
  6. "R.I. Gen. Laws" means the General Laws of Rhode Island, as amended.
  7. "State health laboratories" means the State Health Laboratories maintained by the Rhode Island Department of Health.
  8. "These Regulations" or "this Part" means all of Rhode Island Rules and Regulations pertaining to the Fee Structure for Licensing, Laboratory and

Administrative Services Provided by the Department of Health [216-RICR-10-5-2].

9. "Well water" means water that is taken from below the ground through piping or similar installed devices utilizing external force or vacuum.

## **2.3 Applicability and Scope**

- A. This Part is promulgated to establish a consolidated fee schedule for licensing, laboratory and administrative services provided by the Department.
- B. The provisions of this Part are in addition to, and not in substitution for, other licensing rules and regulations promulgated by the Director pursuant to authority conferred by applicable R.I. Gen. Laws statutes.
  1. Nothing in this Part shall be construed as requiring the use of the State Health Laboratories where other clinical laboratories, licensed by the Department pursuant to R.I. Gen Laws § 23-16.2-4(a), are available to perform the requested laboratory services.
  2. Nothing in this Part shall be construed as requiring the use of the State Health Laboratories where other analytical laboratories, licensed by the Department pursuant to R.I. Gen Laws § 23-16.2-4.1, are available to perform the requested laboratory services.

## **2.4 Designation of Certain Clinical Tests as a Covered Benefit**

Pursuant to the authority conferred by R.I. Gen. Laws § 23-1-3(c), the clinical tests listed in § 2.15 of this Part have been designated by the Director as a covered benefit and shall be reimbursable by all health insurers, as defined in R.I. Gen. Laws § 27-38.2-2(1), providing health insurance coverage for specific diseases, hospital indemnity Medicare supplements, or other supplemental policies. The charges for those testing programs shall be borne by the hospitals or other licensed health care providers and facilities in the absence of a third party payor.

## **2.5 Fees for Lead Poisoning Screening**

The fee for any lead poisoning screening or lead screening-related services provided by the State Health Laboratories shall be determined on the basis of rates paid by the health care insurers to private laboratories for blood lead analysis.

## **2.6 Licensing, Laboratory and Administrative Services Fees**

- A. The fees for licensing, laboratory and administrative services performed by the Department are contained in §§ 2.9 through 2.18 of this Part as follows:

1. § 2.9 – Health Professions
2. § 2.10 – Health Facilities
3. § 2.11 – Food Protection
4. § 2.12 – Drinking Water Quality
5. § 2.13 – Asbestos, Lead and Radon
6. § 2.14 – Radioactive Materials, X-Ray and Tanning
7. § 2.15 – Clinical Laboratory Services Provided by the State Health Laboratories
8. § 2.16 – Analytical Laboratory Services Provided by the State Health Laboratories for Private Well Water Supplies and Other Substances of Public Health Concern
9. § 2.17 – Vital Records, Utilization Review, Health Plan Certification, Newborn Screening Program, Certificate of Need and Medical Examiner
10. § 2.18 – Miscellaneous

## **2.7 Payment of Fees**

- A. Unless otherwise specified in this Part, payment for all licensing, laboratory and administrative services performed by the Department shall be non-returnable and nonrefundable and shall be in the form of a check or money order made payable to the General Treasurer, State of Rhode Island.
- B. Payment for all clinical laboratory services, including all screening for lead poisoning and lead screening-related services, performed by the State Health Laboratories shall be submitted to the Department within thirty (30) days of receipt of the invoice or other period of time agreed to by the Department.
- C. Payment for all testing of private well water supplies performed by the State Health Laboratories shall be prepaid. The testing fee(s) shall be submitted at the time the sample is forwarded to the State Health Laboratories.
- D. The application/initial licensure fee established in this Part shall be submitted in accordance with the requirements specified in the regulations governing the profession and/or activity for which the license application is being submitted.
- E. All license and renewal fees in this Part are specified on a license cycle basis. Consequently, license categories common to more than one profession [e.g., Controlled Substances Registration (CSR)] will be assessed on an annualized fee basis x the number of years in the license cycle.

- F. The applicable renewal fee established in this Part shall be submitted prior to the expiration date of the current license. Failure to submit the applicable renewal fee prior to the expiration date of the current license may subject the licensee to assessment of a late fee, as established by this Part, as well as additional administrative sanctions specified in the regulations governing the profession and/or activity for which the license was issued.
- G. When online renewal is available for a license, payment shall be made in any of the forms designated on the renewal website.

## 2.8 Compliance and Severability

- A. All hearings and reviews required under this Part shall be held in accordance with the provisions of Part 4 of this Subchapter.
- B. If any provision of this Part or the application thereof to any person or circumstances shall be held invalid, such invalidity shall not affect the provisions or applications of this Part which can be given effect, and to this end of the provisions of this Part is declared to be severable.
