

Regulation 1029 - Information Voluntarily Supplied.

- (a) A public official or employee who is not required to file a financial disclosure statement pursuant to the Code of Ethics may voluntarily choose to file such statement, or any other document otherwise required, with the Commission. The Commission shall accept such documents which shall be treated in the same manner as documents received from persons required to submit them.

- (b) A person subject to the Code of Ethics may choose to submit information in excess of that which is required under the Code. Such information shall be treated in the same manner as information required to be filed. The Commission will not, however, accept any document in lieu of appropriately completed forms.
