

NOTICE

From Secretary of State Mollis

Obtaining Evidence of Your Filing

Certificates authenticating your filing are electronically generated and available once the document has been fully processed and verified by our office. You can retrieve evidence of filing - including a certificate of authentication - from your office or home computer as soon as we have processed and verified the document, usually within one business day. Just follow these easy instructions:

- Log onto www.sos.ri.gov and click on "Search Corporate Database." The link can be accessed under "Helping Business" or through the left gutter under "Business Services"
- Enter the name of your entity and click on "Search"
- Click on link to your entity record
- Scroll down, select "All Filings" and click on "View Filing"
- Identify desired "Type of Filing" and click on "pdf" under "File(s)" to view record

Secretary of State Mollis is committed to making it easier for Rhode Islanders to vote, helping businesses grow and making government more open and accessible.
