Application Process

In addition to the application, you must submit additional information directly to the Board. All items listed on the “checklist” (page 9) must be received by this Office for an application to be considered complete. Licenses will be issued within 7-10 working days following the approval of the license. Wallet-sized license cards are mailed within 3 weeks from the date of issuance, and are mailed to the address furnished on the application. You are responsible for notifying the Board office, in writing, if your address changes in the interim. Address changes may be emailed to the Board. The email address can be found at the following web site:

A Copy of the DEA Registration must be provided to the Midwifery Council within 60 Days of its issuance by the DEA. The DEA Registration must be issued to your Rhode Island Practice Address in order for it to be valid. If you are relocating from another state, you need to apply for a DEA Registration that is specific to Rhode Island. See The bottom of this form for information on how to contact DEA.*

All Applicants MUST answer the following:

A. Has the applicant been convicted of, or entered a plea of nolo contendere to a violation of any state or federal law relating to manufacturing, distributing, possessing, prescribing, administering or dispensing of drugs presently defined as controlled substances under Chapter 21-28, General Laws of Rhode Island?

- Yes
- No

B. Has the registration application or registration of the applicant, corporation, firm, partner, or officer of the applicant been surrendered, revoked, suspended or denied under any law of the United States or of any state relating to drugs presently defined as controlled substances under Chapter 21-28 of the General Laws of Rhode Island, or is such action pending?

- Yes
- No

If you answered “Yes” to question “A” or “B” attach an explanation to this form.

**Important Information**

Issuance of a Rhode Island Controlled Substances Registration is contingent upon registration by the U.S. Drug Enforcement Administration. If denied a “DEA Registration”, the Rhode Island Controlled Substances Registration becomes “VOID”. Licensed drug facilities and licensed practitioners with prescriptive privileges, cannot dispense, possess, store or ship controlled substances in or into the State of Rhode Island without a valid drug facility or professional license. Rhode Island Controlled Substances Regulation (CSR), and a federal Drug Enforcement Administration (DEA) Registration. Practitioners may only prescribe, dispense, possess, and store controlled substances within their particular “scope of practice”. “Controlled Substances” for purposes of this application, means a prescription drug in Schedules II through V, pursuant to the Rhode Island Uniform Controlled Substances Act, and 21 CFR 1300 of the Federal Code of Regulations. Schedule I drugs are used by researchers, and require the submission of a protocol.

Without a Rhode Island CSR, and federal DEA Registration, licensed drug facilities, and practitioners with prescriptive privileges, may dispense or possess non-controlled prescription medications under its facility or professional license. A CSR will not be granted to an applicant whose BOARD license application is “pending” in this state.

A Rhode Island Controlled Substances Registration must be obtained prior to applying for the DEA Registration. Federal regulations require that applicants comply with individual state requirements prior to issuance of a DEA Registration. Once the CSR is issued, applicants must apply to the U.S. Drug Enforcement Administration for a federal registration using that agency's DEA Form 224 (New Application for Retail Pharmacy, Hospital/Clinic, Practitioner, Teaching Institution, or Mid-Level Practitioner). Applicants may apply on-line for the DEA Registration at the following web site: www.deadiversion.usdoj.gov/drugreg/reg_apps/index.html

*You can also receive an application, or check the status of a pending DEA Registration by contacting the Drug Enforcement Administration at the following location: Registration Unit, US Drug Enforcement Administration, JFK Federal Building, 15 New Sudbury Street, Boston, MA 02203-0131, Telephone (888) 272-5174.

NOTE:  

- Schedules II, III, and IV of section 21-28-2.08 will become void unless dispensed within thirty (30) days of the original date of the prescription.
- Prescriptions in schedules III, IV and V cannot be written for more that one hundred (100) dosage units and not more than one hundred (100) dosage units maybe dispensed at one time. For purposes of this section, a dosage unit shall be defined as a single capsule, tablet or suppository, or not more than one (1) teaspoon of an oral liquid.
- Prescriptions in schedule II may be written for up to a 30-day supply, with a maximum of two hundred and fifty (250) dosage units, as determined by the prescriber’s directions for use of the medication.
