

Minutes previously submitted for this meeting notice were erroneously filed as minutes for the meeting held June 6th, 2005. These minutes are, in actuality, the approved minutes for the April 4, 2005 meeting and have been filed as such.

Minutes for the June meeting will be filed once approved by the Oversight Committee at the August meeting.

I apologize for the inconvenience. Please contact Laura Jaworski, Project Services Coordinator for the Batterers Intervention Program Standards Oversight Committee at (401) 462-0685 for any questions or concerns in this matter.
