New Business:

- Proposal # 15-017 was received from DSFM Quintero regarding life safety evaluations for smaller places of assembly. As this item was not on the committee's agenda for discussion, no action was taken by the committee.
- FSC Section 9 and 10 were reviewed and approved.
- The question was raised as to whether additional language was necessary in LSC Chapters 24 and 25 regarding the installation of CO detectors where there are no fuel-burning appliances. ED Burlingame will review this issue and address it if necessary¹.
- The committee voted to conclude its review of the code and forward the draft as written to the full Board for review and approval at their next meeting. Commissioner Pearson made a motion to forward the draft document as written, seconded by Chairman Newbrook – the motion passed unanimously.

Announcements:

- None.

Adjournment:

Commissioner Pearson made a motion to adjourn at 12:30 PM, seconded by Commissioner Jackson – the motion passed unanimously.

¹ Upon review, the issue is covered adequately by sections 24.6.2.1, 24.6.3.1.1 (amended), 25.:2.1.3 and 25.2.2.4.
