- I. **Welcome – Meeting call to order at 10:05 am by Lt. Governor, Dan McKee.** He announced that Maureen Maigret would act as Vice-Chair for the reminding of the year to assist with the council businesses. Lt. Governor McKee then introduced Elizabeth Roberts, Secretary of Health and Human Services to present an overview of “Reinventing Medicaid”.

A. -Reinventing Medicaid Overview- Elizabeth Roberts, Secretary of the Executive Office of Health and Human Services, Senior Staff for Reinventing Medicaid Project.

Secretary Roberts clarified that she is the senior staff person for this project and that there are two co-chairs: Ira Wilson, Chairman, Department of Health Services, Policy & Practice, Brown School of Public Health, Providence, Rhode Island Hospital & Health Care. The other co-chair is Dennis D. Keefe President & CEO, Care New England. This innovation and transformation plan includes the input, expertise and experience of a broad range of Rhode Islanders, including providers, insurers, consumers, and government and community leaders.

The governor has proposed a FY2016 budget that reduces \$90M in general revenue for Medicaid assistance; this means a cut of \$180M. This proposal does not remove people from services or reduce their benefits. The Governor has also created a 29-member Reinventing Medicaid Work Group to further define the Medicaid savings and develop recommendations for longer term Medicaid reforms leading to better outcomes and greater efficiency.

The Work Group met in late February and have conducted four town halls meetings, including the areas of: Providence, Woonsocket, Wakefield, and Newport. About 400 people had attended those meetings.

The Governor has said that the transformation of Medicaid is necessary to run it smarter, and meet people's needs. The Work Group will be presenting recommendations for amendments for the 2016 budget

The Point Website Update – Charles Fogarty, DEA Director-

The department is in the process of developing the Point website. Mr. Fogarty noted the United Way is the vendor for The Point central services but the DEA is responsible for the POINT website and will be soliciting input from everyone involved in the process of having the system up and running by June 30, 2015.

II. Approval of Long Term Care transition minutes from December 10, 2014

The Lt. Governor made the motion for the approval of minutes of December 10, 2014 with a correction on page 7 from Ray Rusin's report; according to Maureen Maigret, the word "women" should be replaced by the word "limited" the Lieutenant Governor made a motion to have the minutes from March be approved at the May meeting.

III. Nursing Homes Update – Ray Rusin

Office of Facilities Regulation

Substandard Quality of Care Monitoring:

The Office of Facilities Regulation (OFR) is currently monitoring three facilities for previous citations of substandard quality of care.

Charlesgate: An unannounced follow-up inspection was conducted on March 6, 2015. The facility was found to be in compliance with regulatory citations from the January 23, 2015 inspection.

IV. SUBCOMMITTEES UPDATES:

A. ALZHEIMER'S UPDATE: Donna McGowan

- This subcommittee has not meet since December. The symposium with the researchers and doctors was a success and this committee will be working with the Alzheimer Association to produce a publication with the surveys results. In addition, they will also plan to honor the researchers.

-This group is working on legislation to pass the Uniform Guardianship Act which 40 other states had approved, but RI has not yet approved it. In support of this effort, they are coordinating a State House Day on May 11, 2015.
The house bill is **H6034**

B. AGING AND COMMUNITY: Maureen Maigret

The next Meeting will be held on April 29, 2015 at the Cranston Senior Center. Members are invited to participate in the noon luncheon at the Center. The main focus of the meeting will be a discussion about RI Senior Centers Services.
