DOB: 07/04/1987 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police report(s), institutional record, risk assessment(s)and parole plan/request. Mr. Foye presented with a poor attitude and lack of credibility before the Board. Based on his overall institutional record, including xxxxxxxxxxxxxxxxxxxxxxx, the fact that this is a serious offense involving multiple victims and the use of a firearm, his attitude and lack of credibility or insight before the Board, his prior criminal history for drug delivery and prior incarceration the Board denies parole. The Board believes that to parole him on these facts and record would promote disrespect for the law and undermine the seriousness of his offense. In addition given his presentation we cannot say that he cannot remain at liberty without violating the law. We will reconsider him in five years (2/2021).
