539336 CARTAGENA GREGORY M DOB: 10/03/1985 - DENIED

The Board considered information reflecting both static and

dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Cartagena has returned for another drug dealing charge as well as escape and larceny. Based on his criminal history, repetitive nature of his charges for drug dealing and the seriousness of his offenses the Board votes to deny parole without reconsideration. This is also in consideration that Mr. Cartagena had an opportunity on parole in the past. The Board cannot say he can remain at liberty without violating the law. (GTD: 9/11/16) INTAKE VOTE:

restitution. In addition he has a case pending. To parole him on this record would not only promote disrespect for the law, but undermine the seriousness and gravity of his intentional conduct. In addition the Board cannot state that he could remain at liberty without violating the law as he has failed to do so consistently in the past. We will reconsider him in three years (3/2019) to give him an opportunity to address these concerns. The Board recommends

536661 MOJICA JOSE L DOB: 06/16/1985 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Given his criminal history, the nature and circumstances of his current offense, including the use of a firearm and taking of a life, as well as the fact that Mr. Mojica engaged in drug dealing while on bail and escaped bail, the Board believes that he should serve more time. Otherwise to parole him now would depreciate the seriousness of the offense and his

actions and promote disrespect for the law. In addition, Board members find that Mr. Mojica minimized the nature of his criminal lifestyle at the time of the offense and this was concerning vis-a-vis his criminal thinking. We will deny parole and reconsider him in July 2018. The Board
