assessment(s) and parole plan/request. The Board commends Mr. Martinez on his positive record and acknowledges his low risk assessment score. However, given the nature of his crime, as well as the firearm charge, and the fact that the Board did not find him credible, the Board denies parole but will reconsider him in December 2016. The Board believes that to parole him on this record would promote disrespect for the law and depreciate the seriousness of his actions. The Board recommends that he xxxxxxxxxxxxxxxx

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board votes to deny parole at this time based on his extensive criminal history, the nature of his current charge including the

fact that he committed a B & E while the homeowner was on the premises. In addition we would like to see him advance
