147985 DIAZ ERIC D

DOB: 06/18/1993 - PAROLED

The Board has information to suggest that Mr. Diaz's Felony Assault case has been dismissed as of March 2016, however, there is insufficient information as to whether or not he still has a warrant outstanding in the Commonwealth of Massachusetts. Should he still have a warrant pending the Board votes to deny parole. If, in fact, he no longer has a Massachusetts warrant then the Board votes to parole Mr. Diaz in June 2016 to GPS for thirty days on the basis that his new charges triggering his probation violation were

dismissed. During any period he becomes unemployed, he must

actively work with his parole officer to perform up to twenty hours weekly of community service. This parole is contingent upon Mr. Diaz remaining booking free and remaining in any program or educational course in which he is currently enrolled. Dr. Nolan abstains based on the on

grounds that she has insufficient information to make a decision. (GTD: 1/2/17) MEDIUM VOTE: YES: Pisaturo, Almeida, Verdi ABSTAIN: Nolan
