138794 IBANEZ RICHARD A DOB: 09/20/1990 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board commends Mr. Ibanez xxxxxxxxxxxxxxxxxxxxxxxxxxxx to date, however, he presented with some limited insight into his xxxxxxxxxxxxxx xxxxxxxxxxxxxx and what he will need to succeed on parole in this area which impacts the Boards confidence level in him. In addition, given the nature and seriousness of the offense, including victimization of multiple persons, the Board thinks he should serve more time. We will reconsider him in four months (10/2016). Between now and then the

criminal history in Georgia and Illinois. He reported to the Board that he came to Rhode Island and it seems he began to sell drugs almost immediately. The Board was unimpressed with his presentation, which included minimization of his role and responsibility in his crime. Based on the nature and seriousness of his offense, as well as all of the above factors we will deny parole without reconsideration. To parole him on this record would promote disrespect for the law. The Board commends Mr. Rivera on his efforts on his work release job and his xxxxx, but has remaining concerns about his need to address his xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx prior to release.
