153067 CANALES CECILIO DOB: 06/09/1983 - DENIED

**The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Canales displayed limited insight at hearing regarding the impact or his crime as well as his level of responsibility and admitted to a pattern of criminal behavior for drug dealing for a period of time before his arrest. Given these limitations and the seriousness of his offense, the Board votes to deny parole without reconsideration as we believe it would undermine the serious nature of his actions and we could not state that he could remain at liberty without violating the law. (GTD: 2/10/17) MINIMUM VOTE:
UNANIMOUS-Present; Pisaturo, Armesto, DeLosSantos,

060537 DAVIS EARL D JR DOB: 04/06/1957 - DENIED

The Board considered information reflecting both static and

dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Given Mr. Davis' extensive criminal history the Board believes that his xxxxxxxxxxxx on parole would require time that he does not have remaining on this incarceration sentence. Without appropriate supervision we do not believe he is a good candidate for parole. The Board does make a referral to discharge planning for consideration for an appropriate discharge plan for Mr. Davis at the time he expires his sentence. (GTD: 10/31/16) MINIMUM VOTE:

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Given Mr. Sylvester's criminal history, the nature of his current offense and pattern of behavior that does not reflect a concrete plan to change his lifestyle, the Board denies parole without reconsideration as we do not believe that he is a good risk.
