510460 OLIVER DERRICK DOB: 10/12/1976 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board also notes the Attorney General's objection to parole. The violent and repetitive nature of Mr. Oliver's actions and use of weapons (an automobile and a knife) which caused serious injuries to his victim, his violation of a court protective order as well as limited insight into why he was so rageful compel against parole at this time. Otherwise to parole now would undermine the seriousness of his offenses and promote disrespect for the law as it pertains to domestic abuse. We will reconsider him in five years (9/2021). The Board
