150554 BELTRE ISMAEL DOB: 09/20/1986 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Beltre refused to accept responsibility of his crime in his presentation to the Board. He engaged in victim blaming as well as minimization and then later recanted. He xxxxxxxxxxxxxxxxxxxx earlier this year. Overall the Board found him completely not credible. Without any insight or responsibility and in

light of his attempts at deception towards the Board, the Board votes to deny parole without reconsideration. To parole him under these circumstances would not only promote disrespect for the law, but we find he is a high risk to reoffend in light of all these circumstances. (GTD:6/18/18)

516345 YOUNG MATTHEW DOB: 09/09/1979 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. In light of Mr. Young's criminal history for DUI, his failure to take any responsibility to this offense (to which he pleaded), and lack of insight as presented at hearing the Board is hard pressed to grant parole. We believe that to parole him under these circumstances would depreciate the seriousness of his crime but also promote disrespect for the law. He will flatten his sentence.
