**The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board votes to deny parole. The reason for the denial is Mr. Thomas has an extensive criminal history and has a multitude of offenses and victimizations involving his victims that were home at the time of crime. The Board has urged him in the past to develop a concrete parole plan that would include his goals and plans xx and much to**
