The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board commends Mr. Lemont for his candor during hearing. In balance, however, given the nature and seriousness of his robbery offenses which included the use of force as well as his criminal history for robberies, the Board votes to deny parole. The Board believes that to parole him on this record would undermine the seriousness of his actions and promote disrespect for the law. The Board will reconsider him in one year (12/2017). Please note the Chairperson dissents from the reconsideration vote as she would flatten his sentence and believes that he is a high risk to reoffend. Please note as well that Ms. DeLosSantos dissents from the reconsideration vote as she believes that twelve months is too soon and would reconsider him in eighteen months. Nonetheless he will be reconsidered in one year as per Parole Board Guidelines. (GTD:7/26/19) MEDIUM VOTE: UNANIMOUS-Present; Pisaturo, Armesto, DeLosSantos, Perez
