DENIED

071993 ADAMS JERRY C DOB: 10/23/1965 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. In light of Mr. Adams' criminal history for robbery as well as the multiple offenses and victimizations the Board denies parole as we believe he should serve more time and to parole him at this time would promote disrespect for the law and undermine the serious nature of his offense as well as criminal history. We will reconsider him in one year (1/2018) and commend Mr.

him XXX as well as these other accomplishments. We believe it is early in his sentence for parole given his criminal history and the serious nature of his offense in which the homeowners were present. and has letters of support. Overall, however, and in balance, in light of his extensive criminal history as well as his history for felony assault, the Board will deny parole at this time. The reason for the denial is due to the nature and seriousness of his offense including the use of a weapon, multiple victims, as well as his criminal history. We believe to parole him at this stage would promote disrespect for the law. We xxxxxxxxxxxxxxxxxxxxxxx

142261 LEFEBVRE PHILLIPPE DOB: 06/13/1973 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Lefebvre presented to the Board with limited insight into the seriousness of his offense and minimized to some degree his involvement in the crime. The Board has concerns regarding this limited insight as well as his history for failure to register as a sex offender and his history for child pornography. Overall we do not believe he is a good risk at this time for parole and we will deny parole without reconsideration. (GTD:10/25/27) INTAKE VOTE: UNANIMOUS-Present; Pisaturo, Almeida, Armesto, Perez

**Mr. Dalessio is before the Board for review. A contingency
for his grant of parole from December 2016 was that all new
charges which triggered his probation violation were, in
fact, dismissed and the Board requested
documentation/information of same. Subsequent to that time
the Board received information from the Rhode Island
Attorney General that it was formally charging his new**

offense. With this new information parole contingencies have not been met and the Board votes to rescind its prior grant of parole. The Board will review the case in March 2017. (GTD:1/20/18) MEDIUM VOTE: UNANIMOUS-Present; Pisaturo, Almeida, Armesto, Perez
