155366 BARBOZA MICHAEL DOB: 10/12/1971 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board finds that Mr. Barboza demonstrated complete lack of insight at hearing with respect to his pattern of criminal thinking and criminal behavior with respect to his fraudulent

activity. On this basis the Board does not believe that he is a good risk for parole and that to parole him under these circumstances would promote disrespect for the law. We will deny him without reconsideration. The Board
