DENIED

145913 BLANDINO JOHAN T DOB: 07/12/1992 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Blandino presents to the Board xxxxxxxxxxxxxxxxxxxx and has an open firearms charge pending in New York. At hearing he seemed to minimize xxxxxxxxxxxxxxxxxxxx and his out-of-state record and the Board finds, overall, that to parole him on this

record would promote disrespect for the law. He has also

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Borden presents

before the Board

however, he is without a meaningful or concrete parole plan. In addition he is serving on a serious offense

involving the

light of the circumstances, especially the lack of a meaningful parole plan and nature of the offense, the Board votes to deny parole without reconsideration as we believe it would undermine the seriousness of his offense and cannot state he could take his place in the community given the lack of a parole plan. DOB: 10/15/1969 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board votes to deny parole without reconsideration in light of Mr. Comeau's extensive criminal history, including for domestic violence, and that Mr. Comeau has had several opportunities on parole in the past but has returned to the ACI. We do not believe that he is a good risk and has yet to change his impulsive behavior or criminal thinking. Also to parole him on this record we believe would promote disrespect for the law. **The Board considered information reflecting both static and
dynamic indicators including, but not limited to, criminal
history, police reports(s), institutional record, risk
assessment(s) and parole plan/request. In balance and in**

light of Mr. Rodriguez's criminal history for robbery which the Board finds is a significant and serious offense the Board votes to deny parole at this time, but will reconsider him in one year (1/2018). The Board feels that to parole him at this stage would promote disrespect for the law and undermine the seriousness of his offense.

However, in light of the nature of the offense, including the use of a firearm and felony assault, coupled with his criminal history for possession of a firearm, the Board believes that he should serve more time otherwise to parole him at this stage would promote disrespect for the law. We will reconsider him in twelve months (1/2018) and Mr. Rosado should present with a concrete home and work plan before the Board. believes that to parole Mr. Thompson from this sentence at this time would promote disrespect for the law and we further believe he should serve additional time. We will deny parole without reconsideration. (GTD:11/29/17) MEDIUM

The Board considered information reflecting both static and
