The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Herrera is before the Board on two applications: a parole revocation hearing on sentence P2-08-3199C as well as an Initial Parole Hearing on P2-16-3051ADV. Based on his admission in his letter that he assaulted the victim and his plea to the new domestic assault charge which forms the basis of his parole violation, the Board finds that he violated parole and revokes his parole. In light of his track record to date on parole, as well as the nature of his parole case and new domestic charge, the Board also votes that he serve the remainder of his original sentence consecutively to his new sentence on P2-16-3051ADV. On his parole application on the new sentence the Board votes to deny parole. In light of the totality of circumstances to parole him would promote disrespect for the law. (GTD:) MINIMUM VOTE: YES:
