The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board acknowledges Mr. Braxton's xxxxxxxxxxxxxxxxxxxxxxxx here in Medium Security. In light of his criminal history for drug dealing and the repetitive nature of his offense, as well

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request.
