140112 BROWN DONOVAN A DOB: 07/01/1986 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board is concerned with Mr. Brown's presentation at hearing and found that it lacked insight as well as credibility particularly regarding his insight with respect to his level of substance use/abuse. In light of the nature and seriousness of his offenses, both of which involve a firearm, the presence of a young child, and his evasion of police the Board denies parole without reconsideration. We

believe that to parole on this record would promote
disrespect for the law and undermine the seriousness of his
crimes. We do recommend that Mr. Brown

budding insight displayed at hearing. However, in balance and based on the high offense severity, nature and circumstances of his offense the Board believes that he should serve more time and to parole him on this record would depreciate the seriousness of this offense and promote disrespect for the law. The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board votes to deny parole based on Mr. Ramos' criminal history, significant for firearm offenses and other concerning felony charges as well as the offense severity. He has had one other opportunity on parole and this is at least his third incarceration. The Board believes that to parole him

on this record would not only depreciate the seriousness of his offense, but promote disrespect for the law. We will see him again in two years (2/2019). (GTD:6/6/21) MEDIUM VOTE: UNANIMOUS-Present; Pisaturo, DeLosSantos, Cade
