**DENIED**

**098591 BAKER LLOYD D JR      DOB: 09/29/1961 - DENIED**

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. At hearing before the Board Mr. Baker failed to take responsibility to the felony assault to which he pleaded and also reflected poor insight into his offense. He also provided no legitimate basis for the Board to parole him. Further, the Board finds  
that      Mr.      Baker

**believed that to parole him would not only promote disrespect for the law but we could not state that he would remain at liberty without violating the law. (GTD: 2/8/18)**

**DENIED**

**106787 DALESSIO GREGORIO A DOB: 04/13/1979 - DENIED**

**The Board votes to deny parole without reconsideration in light of new drug and firearms felony offenses lodged by the Attorney General. If those charges are dismissed Mr. Dalessio can write to the Board for reconsideration.**

**Otherwise the Board believes that to parole him would promote disrespect for the law. (GTD:12/30/17) MEDIUM VOTE: UNANIMOUS-Present; Pisaturo, Nolan, Armesto, Perez**

**515069 DALESSIO ROCCO E**

**DOB: 11/12/1978 - DENIED**

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board votes to deny parole at this time on the basis that to parole him at this stage would undermine the seriousness of the crime of murder including the loss of an innocent life of a child. Mr. Dalessio is not able at this time to accept fully his role in this offense and we believe that to parole him under these circumstances would depreciate the seriousness of his crime. The Board
