526598 FIGUEROA ANDRES

DOB: 08/28/1966 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal

history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board votes to deny parole without reconsideration in light of the nature and seriousness of Mr. Figueroa's offense for dealing drugs as well as his previous convictions for same. In addition he was on probation and has had a prior opportunity on parole. The Board believes that to parole him on this record would promote disrespect for the law and we cannot state that he would remain at liberty without violating the law. In light of Mr. Hodge's criminal history as well as prior opportunities on parole, the Board votes to deny parole at this time as we believe that it would promote disrespect for the law and we believe that he should serve additional time on this sentence. We will reconsider him in July 2017. At that time Mr. Hodge should present a concrete parole plan including additional information xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx that he referenced and whether or not he is a candidate for same. The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board votes to deny parole at this time with a reconsideration in twelve months (3/2018). Basis for the denial is due to his criminal history and repetitive nature of Mr. Kowalski's offenses for violating a protective order and domestic violence. The Board believes he should serve more time. To parole him at this stage would promote disrespect for the law. Given his history of failing to comply with court orders the Board cannot state that he can remain at liberty

without violating the law. We
