**DOB: 04/10/1993 - DENIED**

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal

history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Gonzalez presents well at hearing and, xxxxxxxxxxxxxxxxxxx, during this incarceration. He reflects insight into his crime and decision making and expresses remorse. The Board commends him on all of these, as well as xxxxxxxxxxxxxxxxxxx, however, we find that his parole plan is lacking. He seeks parole xx xxx and

the Board is not aware and he has not presented a suitable transitional plan or home plan that the Board could consider that would allow him to take his place in the community and reduce his risk to reoffend. Accordingly, we deny parole and will reconsider him in six months (11/2017) and encourage him to present a more suitable plan for the Board's serious consideration which might include housing arrangements xxx. The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal

**history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board appreciates Mr. Ortiz's stated insight, however, his significant criminal history for failure to register as a sex offender and other related offenses undermine his stated intentions. We do hope he is serious this time, but in good conscience cannot vote to parole him as we believe it would promote disrespect for the law and we cannot state that he can remain at liberty without violating the law given his risk to reoffend. We suggest xxxxxxxxxxxxxxxxxxxxxxxx xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx during the remainder of his time here. (GTD: 12/14/17) MEDIUM VOTE: UNANIMOUS-Present; Pisaturo, Nolan, Perez, Armesto**
