## **REVOKED**

**113587 PRUM BRODEN DOB: 08/23/1982 - REVOKED**

**Mr. Prum is before the Board for a Final Parole Revocation Hearing based on new charges. He was previously, at a prior hearing, given his rights for hearing. He chooses to go forward today on a revocation hearing and has been given an opportunity to make a statement on his own behalf. The Board takes judicial notice of the Judgement of Conviction and Commitment wherein he plead Nolo Contendere to being in possession of a firearm in P2-16 3546AG and finds that he violated the terms and conditions of parole through this conduct as well as being off his GPS schedule. The Board votes to revoke parole and will reconsider him in January 2019. Ms. Cepeda abstains. (GTD:6/4/23) MEDIUM VOTE: YES: Pisaturo, Perez, Cade ABSTAIN: Cepeda**

**122075 AKION TYRONE                      DOB: 03/31/1981 - DENIED**

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Akion presents to the Board as a repeat offender, with a history for robberies and who was on probation at the time of this offense for larceny from a person. He has been paroled in the past and violated. Although he has demonstrated supports in the community before this incarceration he has not used them to move away from his pattern of criminal conduct. The Board does not believe that his parole plan is realistic or will do much to curb his risk for recidivism as reflected in his risk assessment score as well as pattern of criminal conduct. We vote to deny parole at this time as we cannot state that he could remain at liberty without violating the law. We will reconsider him in nine

147707 CABRERA DANILO DOB: 05/17/1971 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Cabrera presents before the Board and expresses significant remorse over a violent assault he committed against his wife.

Notwithstanding, it is apparent to the Board members that he still has some work to do to get to the root cause and response to his rage as well as xxxxxxxxxxxxxxxxxxxxxxxx. He has not had the benefit xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx.

We note that there is an objection from the Attorney General. In light of the nature and seriousness of this offense, as well as the aforestated concerns and status the Board votes to deny parole at this time. The Board believes that Mr. Cabrera should serve more time given the nature and severity of the offense as well as the extent of injuries and intentional nature. We will reconsider him in

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Lee presents for a repeat offense for dealing drugs and he had a firearm in his possession. This is a repeat offender who has had a prior opportunity on parole and chose to re-engage in criminal conduct. Based on his criminal history and prior opportunity on parole the Board believes that he should

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board finds that Mr. Martins lacks sufficient insight into victim impact,

**the impact his repetitive crimes of drug dealing have had on others in the community, and a realistic approach to changing his significant pattern of criminal behavior. This is his third charged felony for selling drugs and his fifteenth incarceration. The Board denies parole as we believe that it would promote disrespect for the law to parole him on the record. **The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Perry presents well and the Board appreciates his insight as well as his xxxxxxxxxxxxxxxxxxxxx here at Maximum Security. However, given his extensive criminal history, prior incarcerations and the nature and severity of this offense, the Board believes that he should serve more time and it is early in his sentence for parole given his overall record. In addition, the Board would like to see a more concrete parole plan that takes Mr. Perry outside of the criminal element from which he came. We will deny parole at this time for these reasons, but reconsider him in one year (5/2018) at which time xx.**
