The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Based on the repetitive nature of Mr. Delnigro's offenses for domestic violence, the fact that he was on probation at the time he committed this offense and the length of sentence the Board votes to deny parole. The Board believes that to parole him at this time would promote disrespect for the law and depreciate the seriousness of his offense.(GTD:8/8/17)

The Board votes to deny parole at this time in light of Mr. Depina's track record and criminal history as well as his prior parole opportunities and the nature of the offense, wherein the Board finds that he imperiled the lives of two children. The Board finds that despite Mr. Hayes' parole risk assessment score we find aggravating factors, his limited insight into his patterns of criminal behavior as discussed before the Board, as well as his prior opportunity on parole.
