117049 HUGHES MURRAY L JR DOB: 10/10/1978 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board has some concerns with Mr. Hughes' presentation at hearing specifically concerning contradicting statements on his criminal behavior versus the official police report. The Board finds that he has very limited insight into his

The Board commends Mr. Ledoux on his budding insight presented at hearing as well as xxxxxxxxxxxxxxxxxxxxxxxx to date. On this record, in light of the fact that he was on parole when he committed this violent assault, the Board believes he should serve more time otherwise to parole him would not only undermine the seriousness of his offense, but also promote disrespect for the law. In addition, we would like to see him present with a greater understanding xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx. 118469 PARKER ROBERT JR DOB: 11/17/1972 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board votes to deny parole without reconsideration. The basis for the denial is the Board's consideration of Mr. Parker's serious criminal history, his limited insight reflected at hearing into his history of violence and criminal activity. As Mr. Parker does not have insight on his own the Board cannot state that he can remaining at liberty without violating the law.
