DENIED

087128 ADAMS DARRYL J DOB: 09/15/1969 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Adams presents to the Board, but does not wish to make any statements on his own behalf or advocate for early release through parole. In addition, he advises the Board that he has a pending domestic felony assault charge. In light of all of this the Board votes to deny parole without reconsideration as we believe that to parole him on this record would promote disrespect for the law. (GTD:2/6/18) MEDIUM VOTE: UNANIMOUS-Present; Pisaturo, Armesto, Cepeda, Cade

122546 ADEBIMPE IDRIS O DOB: 05/09/1982 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk

assessment(s) and parole plan/request. The Board believes that Mr. Adebimpe, given his criminal history as well as the significant victimizations and repetitive nature of his offense for robbery, should serve additional time.

Accordingly we will deny parole at this time based on the nature and seriousness of his offense as to parole him now would promote disrespect for the law. We will, however,

reconsider him in nine months (4/2018)

053610 ANGELL ROBERT A DOB: 08/28/1948 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board votes to deny parole and will reconsider him in January 2018. Mr. Angell presents to the Board without any concrete plan for release to insure his safe and successful transition to our

community. Without this the Board cannot state that he can remain at liberty without violating the law and we are compelled to deny parole. If he can obtain documentation to solidify an appropriate home plan he can write to the

Board. (GTD:LIFE) MEDIUM VOTE: UNANIMOUS-Present;

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Brown presents to the Board for with a low risk on his risk assessment. However, he shows lack of insight into his crime and accepts limited personal responsibility for his crime. The Board votes to deny parole without reconsideration as we

believe to parole him would promote disrespect for the law and the Board cannot state that he could remain at liberty

without violating the law. We

that he was on probation at the time he committed this

Board votes to deny parole without reconsideration. The

Board cannot state that he can remain at liberty without

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Robberies. In addition, Mr. Fenton

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board commends

Mr. Grudain XXX. In balance,

however, the Board finds that he is at moderate to high risk to reoffend in light of his significant criminal history for robbery and other offenses and cannot state that he can remain at liberty without violating the law. In addition, to parole him on this record would promote disrespect for the law. We will deny parole without reconsideration. (GTD:2/4/19) MEDIUM VOTE:

131947 GUERRERO MAXIMO A DOB: 11/05/1952 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board is considering Mr. Guerrero's case for a second time. At this time he has chosen to pursue various appeals, as is his right. His appeal to the Supreme Court has been denied as has his post conviction relief conviction. He tells the Board that he is considering filing in Federal Court and

for that reason

offense. We are also concerned

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board votes to deny parole at this time due to Mr. Mendez's proposed parole plan which puts him back into a concerning scenario, vis a vis his gang affiliation. The Board will reconsider him in ninety days (10/2017) in the hope that he will have an opportunity to explore other concrete parole plans that will reduce the likelihood of his reoffending and allow him to take his place in the community.

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board appreciates Mr. Perkins' candor at hearing, but given his track record to date and serious criminal history for firearms/assault we are hard pressed to parole him at this time. We believe he should serve additional time, otherwise to parole him would promote disrespect for the law and
