**DENIED**

**155134 CABA FREDDY JR      DOB: 02/22/1990 - DENIED**

**The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board votes to deny parole without reconsideration in light of the nature and seriousness of Mr. Caba's offense in that he was a high level drug dealer. The Board believes a message should be sent and that to parole Mr. Caba would undermine the seriousness of crime and promote disrespect for the law. (GTD:1/26/19) MINIMUM VOTE: UNANIMOUS-Present; Pisaturo, Armesto, Perez**

**120179 GOODE DONALD V      DOB: 03/05/1983 - DENIED**

**The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board is under impressed with Mr. Goode's efforts at crafting a suitable**

parole plan that would allow him to take his place in our community, as requested by the Board in his meeting last year. In light of his criminal history history and nature of the offense the Board cannot state that he can remain at liberty without violating the law, without a concrete plan for work, home environment and articulate plan to change his lifestyle. We deny parole without reconsideration.

(GTD: 1/29/18) MINIMUM VOTE: UNANIMOUS-Present; Pisaturo, Armesto, Perez

**543870 PEREZ NOEL                      DOB: 01/12/1987 - DENIED**

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Perez presents to the Board with limited insight into choices that he has made and what he needs to do not to engage in a criminal lifestyle. The Board finds that this insight will present an obstacle to his remaining in our community without violating the law and would like to see him xxxxxxxxxxxxxx

**542434 RAMOS ANDERSON**

**DOB: 12/16/1986 - DENIED**

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Ramos has had xxxxxxxxxxxxxxxxxxxxxxxx to date. In addition, at hearing he distanced himself from personal responsibility for this and other offenses. The Board is concerned with this lack of insight and does not offer us confidence as to his ability to remain in the community without violating the law. The Board votes to deny parole without reconsideration. We

**100986 ROBINSON LAULISTON D**

**DOB: 07/06/1971 - DENIED**

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. In light of Mr. Robinson's history of drug possession and drug dealing, as well as the nature of the current offense and his admissions at hearing that he was selling drugs to make money, not to support a habit, the Board is hard pressed to

parole him from the sentence as we believe it would promote disrespect for the law. That said the Board encourages Mr.

141202 SANDOVAL MARCO T DOB: 06/14/1989 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Sandoval is before the Board for what is his third conviction for Intent to Deliver/Drug Dealing (heroin). He has had one prior opportunity on parole.
