DOB: 09/21/1988 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board commends Mr. Agostini on his insight as discussed before the Board

XX. In balance, the

**Board**

finds as an aggravating factor the significant scope of the drug dealing that Mr. Agostini was involved in and the nature of his dealing in heroin as a community concern. We believe that he needs to serve more time otherwise it would promote disrespect for the law. We will reconsider him in twelve months (10/2018). (GTD:6/2/21) **MEDIUM VOTE: UNANIMOUS-Present; Pisaturo, Cepeda, Cade**

**109670 BABB IVAN W DOB: 11/20/1979 - DENIED**

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. In light of Mr. Babb's criminal history and assessment as a moderate risk the Board believes that to parole him at this time would promote disrespect for the law. We believe he should serve more time, and will reconsider him in June 2018.

**134366 BLISS TERRELL M            DOB: 11/26/1988 - DENIED**

**The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. In light of the nature and seriousness of Mr. Bliss' current offense for Obstruction of Justice, his extensive criminal history and pattern of probation failure as well as risk assessment, the Board votes to deny parole without reconsideration. The Board believes that to parole him under these circumstances would promote disrespect for the law and undermine the seriousness nature of his offense which we believe strikes at the heart of our criminal justice system.
