XXXXXXXXXXXXXXXXXXXX. The reason for the long-staggered date is that the Board members believe that he should serve more time given the nature and seriousness of the offense and the involvement of multiple victims. To parole him now would promote disrespect for the law and undermine the seriousness of his offense. He has made productive use of his time and we commend him on his accomplishments here while in prison. XXX

561433 DIAZ HECTOR DOB: 04/01/1994 - DENIED

The Board considered information reflecting both static and
dynamic indicators including, but not limited to, criminal
history, police reports(s), institutional record, risk
assessment(s) and parole plan/request. Mr. Diaz presents
well but comes to us with a prior criminal record and was
on probation at the time of this offense, the seriousness
of which is underscored by the loss of life and multiple
victimizations. We find as an aggravating factor not only
his status on probation, but also offense of DUI as a

community concern. Accordingly we will deny parole at this time as we believe that it will undermine the seriousness of his offense and promote disrespect for the law. In

addition Mr. Diaz
