156676 GARCIA EDUARDO DOB: 02/15/1989 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Garcia advises the Board, notwithstanding his plea to this offense, that he denies responsibility for harming the animal in question. In light of this and the overall circumstances of the case the Board votes unanimously to deny parole without reconsideration. We believe that to parole him under the circumstances would not only depreciate the seriousness of the offense, but promote disrespect for the law. xxxxxxxx
