DENIED

139273 CARDONA JOSE DOB: 04/12/1991 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Cardona presents to the Board with limited insight and seems to minimize his actions in committing these crimes and did not take full responsibility for them when before the Board. This is concerning to the Board and the Board cannot state that he can remain at liberty without violating the law and also

**believes that to parole him would promote disrespect for  
the law.**
