096069 COOPER SAMUEL DOB: 06/02/1971 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board

acknowledges Mr. Cooper's

XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX as

well as statement at hearing

XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX

XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX. We appreciate his budding

insight. In light of the nature and circumstances as well as multiple victimizations over a period of time, the Board finds his behavior predatory and planful and finds that he has yet to identify the triggers for his deviant thinking and behavior, XXXXXXXXXXXXXXXXXXXXXXXX. The Board found some of

his statements at hearing self serving and is concerned with respect to his progress in understanding his behaviors and what he may do to manage his thinking and behaviors in the future. For these reasons, we believe that parole would not only depreciate the seriousness of his offense, but we also cannot state that he can remain at liberty without violating the law and vote to deny parole. The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board commends Mr. Gaston xxxxxxxxxxxxxxxxxxxx as well as budding insight reflected at hearing concerning the impact his crime has

and seriousness of the offense, including circumstances of
the murder, compel denial. The Board notes that Mr. Kheng
presented with a limited plan and with limited recollection
and focus. Based on this as well as his overall record, the
Board would like additional information xxxxxxxxxxxxxxxx

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Santiago has a pending criminal charge in Superior Court and the Board is hard pressed to grant parole because we believe it will cause disrespect for the law. We will reconsider him in three months (8/2018) as he indicates he has a pending court date to address this charge in court. Please note the Board requires a Spanish speaking interpreter for the hearing. (GTD:9/12/19) MEDIUM VOTE: UNANIMOUS-Present; Pisaturo, Perez, Nolan, Cepeda

123927 SHEPARD ADRIAN J DOB: 01/19/1985 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk

assessment(s) and parole plan/request. Given Mr. Shepard's extensive and concerning criminal history for drug and firearm offenses, the Board believes he should serve more time on this current sentence, but does acknowledge that he has been upgraded from Maximum Security to Medium Security

XX. We

commend him

for this, and look forward to seeing him in twelve months (5/2019). We will deny parole given the seriousness of the offense and that to parole him under these circumstances, as mentioned, would promote disrespect for the law. Please note the Chairperson dissents. She would also vote to deny parole, and would flatten his sentence. (GTD:2/14/21)
