PAROLED

148862 ORTEGA JONATHAN J DOB: 01/15/1995 - PAROLED

The Board votes to parole Mr. Ortega with a release date of July 2019. We will review his case in May 2019 for purposes of reviewing his home plan. The reason for the long-staggered date is to allow Mr. Ortega and his supportive family to help provide him with a stable home plan in the community, and he indicated to the Board that one year would be sufficient for this purpose. In addition, the Board believes that serving additional time, given the severity of the offense, is certainly appropriate.

Conditions of parole will include: xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx

offender

registration and compliance with all laws pertaining to sex offender registration, as well as GPS for a period of one year. He may not have any unsupervised contact with minors without the permission of his parole officer. Parole is

555152 PEREZ EVAN M DOB: 12/23/1990 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board commends Mr. Perez on the hard work that he has put into himself as well as his parole plan. At this stage the Board would like to see him in a lower security, if possible, xxxxxxxxxxxx xxx. We will reconsider him in December 2018, but we think he needs to serve a little more time

XX

XX. If he can get to a lower security that would also be helpful. He must remain booking free. We would also recommend that his parole risk score be re-evaluated and take into consideration his juvenile convictions which he states includes a robbery at age sixteen as well as Larceny of a Firearm and Possession of Ammunition. These do not appear to be reflected on his risk assessment. (GTD:4/27/23) MEDIUM VOTE:

xxxxxxxxxxxxxxxxxxxxxxx. That said, in light of his extensive and concerning history, prior opportunity on parole and high risk score, the Board members cannot state that he can remain at liberty without violating the law and must deny parole. The Board will reconsider Mr. Person in July 2020. The Chairperson dissents on the decision to reconsider Mr. Person in the future. The Chairperson believes that he is too high a risk for reoffense and would have him flatten

his sentence. (GTD:11/7/23) MEDIUM VOTE:

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board denies parole at this time due to a lack of an appropriate home plan. The Board is not convinced that Mr. Snell's proposed home plan affords him an opportunity to safely and successfully resume his place in the community, most especially in light of his history for domestic violence and the fact that he has no prior experience living in the

home environment which he described to Board. We

recommend
