XX. The reason for the staggered date is that the Board is mindful of the significant injuries caused in this case, as well as his prior criminal history for eluding the police, and we believe he should serve additional time. Mr. Bautista is to have no contact with the victim of his crime. Parole is contingent upon this offender remaining booking free and in any program or educational course in which he is currently

enrolled. During any period he becomes unemployed, he must document an active employment search and also work with his parole officer to perform up to twenty hours weekly of community service (GTD:7/13/19) MINIMUM VOTE: UNANIMOUS-Present; Pisaturo, Armesto, Nolan

DENIED

564321 BAPTISTA SCOTT E DOB: 10/24/1991 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board appreciates Mr. Baptista's insight, but feels strongly that an aggravating factor in this case is the significant injuries to the animal that he abused and votes to deny parole as we believe the release would depreciate the seriousness of the offense and promote disrespect for the law.

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board finds as an aggravating factor the repetitive nature of Mr.

097027 FUSCALDO MARK T DOB: 08/04/1969 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. Mr. Fuscaldo is serving a two year sentence for violating his probation. He indicates to the Board that in 2013 xxxxxxxxxxxxxxxxxxxxxxx

and as of his sentencing in December 2017 had not fulfilled this obligation. In conjunction with his long criminal history as well as his prior failures on parole, the Board cannot state that he can remain at liberty without violating the law and also believes that to parole him from this particular sentence would promote disrespect for the law. Accordingly, we will deny parole and he will flatten his sentence. (GTD:7/14/19) MINIMUM VOTE: UNANIMOUS-Present; Pisaturo, Armesto, Nolan

DOB: 01/18/1994 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board notes that Mr. McNair has a pending felony charge for Forgery/Counterfeiting and the Board believes that to parole him from this ten month sentence would promote disrespect for the law in light of this pending charge. If the charge is dismissed he can write for reconsideration. Otherwise, he will flatten his sentence. (GTD: 1/9/19)

155687 TERRIEN JOSHUA P

DOB: 01/12/1996 - DENIED

The Board considered information reflecting both static and dynamic indicators including, but not limited to, criminal history, police reports(s), institutional record, risk assessment(s) and parole plan/request. The Board is concerned with Mr. Terrien's lack of a work plan especially in light of the nature of his offense and his lack of legitimate employment history. Without this the Board feels he is at greater risk to reoffend and return to drug dealing. Accordingly, Board members vote to deny parole as we cannot state that he can remain at liberty without violating the law, but we would reconsider him if he can

present the Board with an appropriate parole plan for consideration. If he can do that he can write to the Chairperson for reconsideration. Otherwise he will flatten his sentence. (GTD: 6/14/19) MINIMUM VOTE: UNANIMOUS-Present; Pisaturo, Armesto, Nolan
