

**STATE BOARD OF REGISTRATION FOR PROFESSIONAL LAND
SURVEYORS**

MINUTES OF THE WORKSHOP OF THE BOARD

DATE 13 May 2009

PLACE 365 Smith Street, Suite 2, Providence, RI 02908

MEMBERS PRESENT Messrs. Federici and Mensinger

OTHERS PRESENT Eric Anderson

Thomas Comella (Gilbane)

Robert W. Niles (Marshall)

Brian Cripps (Marshall)

representing RI Chapter of the Associated General Contractors

**CALLED TO ORDER Mr. Federici called the meeting to order at 4:30
PM.**

A general discussion was held among all of the parties present regarding the types of construction layout services that must be performed and provided by a P.L.S. in order to comply with State statutes, and which “incidental” services may be legally performed by

unlicensed technicians.

The discussion related solely to the performance of work that relates to building construction. Issues regarding site contractors were not discussed.

Mr. Anderson presented an outline from RIAGC which summarized his organization's position on the respective roles of professional and non-professionals in the building construction process. The members of the RIBRPLS reviewed the outline and indicated their agreement in principle with the outline as presented.

Mr. Federici and Mr. Mensinger agreed to discuss the outline with the full Board at its next meeting, and to submit whatever changes or modifications that the Board deems prudent to the RIAGC thereafter.

ADJOURNMENT The meeting was adjourned at 5:20 p.m.
