Superintendent's Personnel Recommendations (#S2012-38)

Melinda took a moment to give a summary on our new School Psychologist for Colt Andrews/Guiteras Schools, Lauren Fezette LePage. Lauren was the best choice in a candidate who will bring innovative ideas to this position. Melinda will formally introduce her during the School Committee Meeting.

Bill O'Dell had a question about section C of the Consent Agenda, Special Education Consultants, where it just lists funding. Clarification was made that this funding is coming from IDEA and was included when the grant was written; just waiting for approval.

Council 94 Collective Bargaining Update

Melinda said she is looking forward to the next Council 94 Negotiations Meeting on Thursday. John Saviano wanted to be sure that the final document Melinda is putting together for that meeting will be ready, and she said it will be.

Executive Session

Council 94 closed session update will be given during the executive session of the School Committee Meeting.
