

Minutes: Monday, September 21. 2009

Warren Town Hall Conference Room

Attendance: All present

Gloria called the meeting to order at 7:02 PM. Dave moved to accept the August minutes and Bob seconded.

Correspondence: CRMC sent the changes to the Red Book on aquaculture rules.

Old Business:

1. Adopt-a-Spot

a. Market Street/Bike Path—Commissioners liked the sign. Kurt will take this back to his running group. Maybe a ceremony?????

b. Schoolhouse Road—No news. Judy wants the plants.

c. Entrance to Warren, Main Street—Judy's job. Market Street belongs to Robin.

2. Storm drain labeling—Seymour Street.

3. Community Garden—no news

4. Habitat Restoration—Fatima Drive--\$500 for Carlos Alves to build a wall at the back of the property with cemented rocks. He will also roto-till. Pam made a \$500 limit motion and Jane seconded. Gloria will talk to Carlos who will talk to John Massed.

5. Open meeting workshop was attended by Mary H. Jamiel. She received a big book of regulations.

New Business:

- 1. Rockland Acres, Phase 1**
 - a. The CC will explore the Comp. Plan.**
 - b. CC members have concerns about the proximity of septic systems to wells, the detention pond should not be in the buffer zone, permeable surface roads and cull-de-sacs are necessary to decrease run-off to the buffer zone, and underground electric system.**
 - c. Jane will write a letter in response to the plans by September 27,2009.**
- 2. Eco-Depot—Jane distributed a flier about and Eco-Depot to be held on October 24 at the Warren Transfer Station.**
- 3. Town Manager Poudach: Jane will write a letter inviting RP to a CC meeting. She will include a copy of the Annual Report.**
- 4. KRC alert. Stanley Dumkuski discovered a discharge was bubbling up from a pipe in the Kickemut, near the Broken Bridge and Market Street. A sample will be tested.**
