**(a) Proposed demolition (request for waiver) of the structure at 613 Main Street**

**Chairman Valente explained that he had received an email from the secretary that day telling him she had put together an informational package for committee members. He said he also received a message from the Town Clerk's Office that the Town Council had set a Public Hearing on the request by the building's owner for a waiver**

**in order to demolish the structure for Tuesday, November 20, 2012, at 7:00 p.m. The Council had referred the matter to the WVHDC for a recommendation to be due no later than Nov. 13, 2012 at 12:00 p.m.**

**Chairman Valente said he did not have knowledge of this when he called the meeting and he would prefer postponing the discussion and recommendation until the next regular meeting in October. This would provide for full participation by the committee and the opportunity to look into the matter further.**

**Committee member Eileen Collins said the committee had not heard anything from the Building Official. Chairman Valente said he had asked committee vice-chairman Ed Theberge to ask Building Official Nash if he had inspected the structure. However, because Mr. Theberge is away at this time he had heard nothing.**

**Ms. Collins made a motion to postpone the demolition discussion until the October 23, 2012 regular meeting, seconded by John Sheridan. The motion passed.**

### **3- Adjournment**

**Mr. Sheridan made a motion to adjourn, seconded by Chairman Valente. The meeting was adjourned at 7:15 p.m.**
