**Thomas Cawley motioned to accept the Expenditures for September 2008 collectively, Gladys Burns seconded, and so it was voted 5-0.**

## **Administrative Report**

**Having met very recently, there have not been many new developments in the FSS Program. We have received a grant in the amount of \$5,000.00 from the Levy Foundation. We should begin to receive information regarding other grants that the FSS Program has applied for up to this date. Also, at this time of year Alberto DeBurgo has begun work on putting together Thanksgiving baskets. Alberto and other members of the staff have always contributed in the past to help those families that are less fortunate. Last year the FSS Program worked in conjunction with the Central Falls Fire Department for Thanksgiving contributions and the Central Falls Police Department for Christmas contributions. It is a nice way to bring different agencies of the city together to work for less fortunate families in the area.**

## **Old Business**
