Administrative Report

Alberto DeBurgo, Director of the FSS Program briefs the board on some of the issues taking place in the program at this time. Mr. DeBurgo explains to the board why the expenditures are a little higher than usual and that is due to the summer programs that support the youth employment programs. There were 30 teens that were hired for the summer programs. These youths did a tremendous job and some of them were even offered to stay on board as paid employees. Local businesses provided the program with opportunities for these individuals to establish a good work ethic. Mr. DeBurgo along with Tina Sullivan has met with the Pawtucket Housing Authority FSS Program and the discussion has been placed in a proposal for the Central Falls Family Self Sufficiency Program taking over in Pawtucket, this would provide some additional income into the program and would cut down on the CF expenditures. Lastly, Mr. DeBurgo will begin his campaign for holiday donations; we will be soliciting local businesses as we have in the past.
